

Before the Board of Trustees of the
Canyon Elementary School District
CONTRA COSTA COUNTY, STATE OF CALIFORNIA

RESOLUTION REGARDING THE EDUCATION PROTECTION ACCOUNT
2020 06 16B

The provisions of Article XIII, Section 36, added November 7, 2012, create in the state General Fund an Education Protection Account to receive and disburse the revenues derived from the incremental increases in taxes imposed by Article XIII, Section 36 (f). All monies in the Education Protection Account are continuously appropriated for the support of school districts, county offices of education, charter schools and community college districts.

It is the intent of the legislature that all community college districts, county offices of education, school districts, and charter schools shall have the authority to determine how the monies received from the Education Protection Account are spent within the agency. However, in maintaining transparency, the governing board of the district is required to make the spending determinations with respect to monies received from the Education Protection Account in open session of a public meeting of the governing board. Further, the monies received from the Education Protection Account shall not be used for any other administrative costs. The only exception is the payment of the additional audit costs pursuant to the additional audit requirements imposed by Article XIII Section 36 of the Constitution.

Based on the foregoing, the Board of Education of the Canyon Elementary School District, resolves that the monies received from the Education Protection Account shall be spent as attached. This satisfies the requirements imposed by Article XIII, Section 36 of the Constitution.
