School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2018-19	School 2019-20	School 2020-21	District 2020-21

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)		N/A		N/A		N/A
Mathematics (grades 3-8 and 11)		N/A		N/A		N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

CATSS (Canyon Association To Support the School), our parent organization, provides opportunities for school community members to get together socially to share ideas and concerns and to raise funds for the school. New suggestions are always welcome. Traditionally CATSS plans and organizes special events such as the Halloween Carnival and the Annual Auction, which are intended both as community building activities and as fundraisers for field trips and other special activities. CATSS maintains binders and google docs files containing detailed records of past events and supplies such as signs, props and dishes. CATSS also ensures that there is help and food available at key school events such as school plays, open houses, and graduation. CATSS meets monthly via zoom during the pandemic, but participation is welcome even if you cannot attend the meetings. Look for volunteer sign-up sheets in the school foyer or online. This year's president is Lola Leeds, the treasurer is Gregory Stukuls and the secretary is Leigh Oakies.

Canyon Education Foundation is an independent, non-profit organization dedicated to providing long-term support to sustain and enhance the programs of the Canyon Elementary School District. The foundation aims to work closely with the school board and staff and complement the activities of CATSS. The Foundation's current directors are Raphaelle Steinzig and Michael Godwin.

Classroom volunteers. Each class has volunteer room parents, who work closely with the teacher to communicate with parents and coordinate their support for class activities including performances. (All families are asked to help with special activities in their child's class). Other volunteers, supervised by teachers, tutor students and help with in-class activities.

When school is operating in person, lunch and playground volunteers distribute lunch cards and provide lunchtime playground supervision. They are invited to eat lunch if they want to. They are responsible for knowing and enforcing the School's behavior guidelines (Be Safe – Be Kind – Do Your Best) as well as specific rules for student behavior at lunch (students should sit while eating, not throw food, use indoor voices and walking feet when indoors, etc.) and on the playground. They should be ready to use conflict resolution procedures in case of disputes between students. Lunch and playground volunteers work under the supervision of School staff.

Snack providers bring healthy mid-morning snacks for children in each classroom. Snacks are not meant to satisfy students' hunger or spoil their appetites for lunch but only to tide them over, so small portions are definitely in order. Snacks may be left in the classrooms at the beginning of the school day; if it is necessary to put them in the refrigerator, be sure that they are labeled and that the teacher knows about them. Appropriate snacks include fruit, vegetables, bread or rice cakes, perhaps accompanied by cheese, peanut butter, or salsa. PLEASE DO NOT BRING SWEETS OR HIGH FAT-CONTENT FOODS! Although children often appreciate them, such snacks can lead to tooth decay, obesity, and other health problems and they may contribute to behavior problems. Schedules for snack volunteers are provided by room parents. Participation is voluntary – all families are asked to participate, but they may tell the room parent that they do not wish to. No child will be denied snack.

Field trip drivers/chaperones are usually recruited from, but not limited to, the parents of the students who are going. Drivers must have submitted required forms to the School office certifying that they have an appropriate level of car insurance, that their cars are in safe condition, and that they have seat belts for all passengers. Car assignments are made by teachers or school staff and should never be changed without their permission, because it is essential to know who is riding with whom. Drivers are provided with emergency information cards for all children in their care. Drivers and other parents who come along also serve as chaperones during the field trip. Chaperones are expected to remain attentive, model appropriate behavior, assist wherever necessary in supervising students' behavior, and follow the instructions of the teacher in charge. They should refrain from buying treats or souvenirs for their own children unless they are prepared to do the same for all students. Each chaperone should continuously monitor the children from their own car group for the duration of the field trip. [Field Trip Driver's Information Forms are included in the summer mailing]

Garden volunteers work with teachers and students in class activities, coordinate with the food services manager to provide produce for lunches, and care for the garden outside school time.

Housekeeping volunteers (including Summer Work Day volunteers) perform tasks such as moving furniture for floor cleaning, cleaning out roof gutters, spreading ground cover in the playground, dusting high shelves, and cleaning windows. Many of the tasks are suitable for children, who can take part under a parent's supervision. This is easy but necessary work, and all families are asked to participate – those who cannot attend organized summer or weekend work days should contact a staff member about completing housekeeping tasks at other times. Special events helpers (many of them for each event) take care of publicizing, setting up, catering, cleaning up, and providing thanks and acknowledgments. CATSS coordinates helpers for all special events.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.0	0.0	0.0	0.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The District has developed a comprehensive safety plan, which includes procedures for responding to disasters, threats, and ongoing safety concerns. A copy is available for review in the office. In accordance with the safety plan, regular fire drills and inspections are conducted, safety issues are discussed in classes and assemblies, and members of the teaching staff receive training in first aid.
