

THE GUIDANCE OF GOD

INTRODUCTION

In his search for a more meaningful and satisfying existence, man looks for guidance in psychology, education and religion. He dabbles in social media, self-help, hallucinogenic drugs, astrology, fortune telling and palm reading, just to mention a few. Man pursues the unlocking of his mind to reach a higher consciousness through the mysteries of Eastern religions. He seeks counsel from spiritualists, mediums and gurus, expecting to receive guidance either for present circumstances, or direction regarding his future.

In contrast, the True and Living God guides and directs His own people through His Word. In His Word is the knowledge of Him and His eternal plans for our lives. He has spoken to us through the prophets of old, the apostles and His Son, the Lord Jesus Christ. The Bible says, *All Scripture is given by inspiration of God* [God breathed], *and is profitable for doctrine* [instruction and guidance], *for reproof* [admonishment], *for correction, for instruction in righteousness* [holy living, being conformed to God's will, purpose and action], *that the man of God may be complete, thoroughly equipped for every good work* (2 Timothy 3:16, 17). The Lord longs to guide and lead His people into a greater knowledge of Him and His eternal purpose.
