

THE JEALOUSY OF GOD

INTRODUCTION

King Solomon wrote, . . . *love is as strong as death, jealousy as cruel* [unyielding, hard] *as the grave; its flames are flames of fire* [blazing], *a most vehement flame* (Song of Solomon 8:6b). As the King of Israel for approximately forty years, and having acquired seven hundred wives and three hundred concubines in his lifetime, Solomon was well acquainted with the devouring flames of man's jealousy on a daily basis. Man, throughout the generations, has yielded to this wicked and abusive sin. We become jealous of each other because of our looks, talents and gifts, personalities, health, families, husbands, children, relationships, our positions, possessions, wealth and any other thing that causes rivalry within us. The Word¹ of God gives us an escape from jealousy; whether it is destroying our souls from within or without. That escape is through our LORD,² *whose name is Jealous* (Exodus 34:14b), who is able to quench these vicious flames.

THEME SCRIPTURE

For you shall worship no other god, for the LORD, whose name is Jealous, is a jealous God (Exodus 34:14).

¹ Word: God's spoken Word, the Bible (John 1:1, 14).

² LORD: self-Existent or Eternal, Jehovah the Lord.

Biblical Definitions

The word *jealousy* in the Hebrew is *qanna* in the good sense it is zealous: In the bad sense it is envious.

Jealousy in the Greek is *zelos*, *zeloo* to have a warm feeling for or against: in a favorable sense: fervor, zeal, ardor; in an unfavorable one: enemy, malice, envy, indignation.

When speaking of God's jealousy, the word *jealousy* in the Hebrew and Greek has the same meaning as the word *zeal* throughout the Old and New Testaments. The words *jealousy* and *zeal* are used interchangeably to describe God's pure, righteous, protective and possessive love for us.

Joshua 24:19, 20 . . . *He is a holy God. He is a jealous God; He will not forgive your transgressions nor your sins. If you forsake the Lord and serve foreign gods, then He will turn and do you harm and consume you, after He has done you good.*

Song of Solomon 8:6 _____

James 3:13-16 _____

Godly Jealousy

The other jealousy is moral and wholesome. It is the *zeal* to protect and encourage a love relationship or avenge it when broken. It is not the blind reaction of wounded pride, but like the fruit of marital affection. It is a virtue whereby one will develop a passion to save and restore the relationship no matter what the cost. It manifests itself in a total devotion and constant fervor to serve the one it loves. The Scriptures consistently view God's jealousy as being of this latter kind. It is His zeal to love, protect and restore His church.

God wants His zeal/jealousy manifested in you. READ the following Scriptures, and WRITE the characteristics or actions that God's zeal/jealousy produced in His people and should produce in you.
