

THE STRENGTH OF GOD

INTRODUCTION

When unsolvable problems and unbearable burdens persist, it is then that we realize that we don't have the measure of strength we need to bear them. Worldly trends and doctrines teach that positive thinking about oneself as self-sufficient will enable us to endure the assaults in our lives. It is a fact that intellectuals and professionals ultimately cannot solve or cure the problems. So who can? Who is strong enough to handle these pressures? Where can we go to find the physical, emotional, and spiritual strength to face the desperate situations?

The Word of God clearly declares, *For who is God, except the LORD? And who is a Rock, except our God? God is my strength and power, and He makes my way perfect* (II Samuel 22:32, 33).

THEME SCRIPTURE

For You have armed me with strength for the battle; You have subdued under me those who rose against me (II Samuel 22:40).

SECTION I – Definitions

1. How do you define *strength*? _____

Dictionary Definitions

The Random House Dictionary definition of *strength* states: *the quality or state of being strong; bodily or muscular power; mental power; force or vigor; an inherent capacity to manifest energy; to endure and to resist.*

Biblical Definitions

Since God is Almighty, there are numerous Hebrew and Greek words used for His strength, power, and might. One of the Biblical Hebrew meanings of God's *strength* in the Old Testament is the word *ma'owz* which means fortress, hold forces, fort, rock.

Another Hebrew word is *'oz* which means strong, power, boldness, loud, mighty.

There are also several Biblical Greek definitions of God's strength. One is the word *dunamis* which involves force, miraculous power, demonstrated by the miracle itself by producing: ability, abundance, meaning, mighty deed, (worker of) miracles, power, violence and mighty (wonderful) work. We get our English word *dynamite* from this word.

Another Greek word is *kratos* which means manifested power and dominion. Also, there is the word *ischus* which is strength in ability.

Because God is Omnipotent, possessing all power, no single word can fully encompass His Infinite Strength.

Suffering or weakness is not always the result of sin; God sovereignly uses suffering to test our hearts and to draw us closer to Him.
