

# Return Policy

**Dear friend,**

We are happy only if you're happy. If you aren't **100% satisfied** with your purchase, let us know. You have 60 days after we ship your order to explore the benefits of the products and draw your own conclusions. Hopefully, you'll become one of the many customers who contact us to share the joy of their experience with us.

Keep in mind that we are usually advising everybody to take some time with the supplements in order for them to prove their effect, before reaching a conclusion.

But, if you decided that the purchased products are not for you, here is **how you can get a full refund**:

## **Step 1: Make sure you are in the 60 days period covered by our Satisfaction Guarantee**

You can ask for a refund for your order anytime within the 60 days following the shipment of the supplement bottles. If you don't know the shipping date, you can find it on the Order Receipt paper you received along with the supplements.

## **Step 2: Fill the Return and Refund Form from the back of this page**

Please fill it in and add to the package the ***Return and Refund Form*** you can find on the back of this page. It will help us easily identify your order when we get back the products, so that we'll process your request in 24 hours.

## **Step 3: Make sure you send the supplement bottles along with the Return and Refund Form**

You'll be asked to send us all the supplement bottles for which you're requesting the refund to the following address: *37 Inverness Drive East, Suite 100, Englewood, Colorado, United States*

## **Step 4: We will process your refund and send you an email at the address you used to purchase the product.**

Once we receive the package and the ***Return and Refund Form*** we will process your full refund in maximum 48 hours, crediting your payment type with the full amount you invested.

## **Step 5: The bank will process your refund**

Usually banks will credit your payment type in three to five business days.
