Week One: We Find Our Identity in Christ

This past weekend Pastor John continued the series entitled, This is Us. This week we invite you to answer these questions with someone at work, your family, or find a place to do it alone or with a friend. Grow and do life together during this series.

1) Read Ephesians 2:19-22 NIV

Consequently, you are no longer foreigners and strangers, but fellow citizens with God's people and also members of his household, built on the foundation of the apostles and prophets, with Christ Jesus himself as the chief cornerstone. In him the whole building is joined together and rises to become a holy temple in the Lord. And in him you too are being built together to become a dwelling in which God lives by his Spirit.

2) List some of the ways that we try to establish an identity on our own terms.

3) When we seek for an identity outside of Christ, we end up losing our identity and God's purpose for our life. Share how you came to Christ with each other.

4) Pastor John shared how hurts, pain, sickness, mistakes, and problems can steal your identity. What are the things in your life attempting to chip away at your identity?

5) Make a commitment to discover your gifts, your calling, and your ministry. Then volunteer somewhere and get involved. Ask your pastor or another mature believer to help you find where you can get engaged.

6) Close by praying for each other and speak God's Word over your lives. Do you know who you are?
