

# SOMETHING

## Part 5

# Spirit

This past weekend Pastor Ken continued his seven-week Easter series entitled, Say Something. Over these seven weeks, we invite you to answer these questions with someone at work, your family, or find a place to do it alone or with a friend. Let's grow and do life together during this series.

*"Father, into thy hands I commit My Spirit"* Luke 23:46

1. The first thing that Pastor Ken talked about is that God is a father who cares about us. When talking to God the father, Jesus uses the word for Papa or daddy and He invites us to call God daddy or papa too. How amazing is that, to be able to call God your father. Where we can hear His voice and sense His presence in our lives. So, know today that you have a father in heaven who cares about you.
2. Because our first ideas of God tend to come from our experiences with our earthly father, we could end up thinking that God is distant, demeaning, or even abusive. If that is the case with you, allow the words of Jesus to heal your image of God (read Matthew 6:26-34). He is a loving, caring, father who is involved in our life.
3. The second thing that Pastor Ken said was that the father has hands that you can trust. Whatever you place into the father's hands, He will take care of. What do you need to place into the Father's hands this week? If there is something that you are worrying about, just place it into God's hands (read John 10:28 and 2 Corinthians 1:8-9).
4. Finally, you can trust the father's hands with your spirit. Other translations say that He gave up His spirit. No one can actually take His life but He gives up His life (read John 10:18).
5. One of the things that makes us different from animals is that we have a spirit. Just as Jesus trusted His daily life with God the father, He trusted Him with His spirit as well. If Jesus can do that we can do that too. You can be secure in the father's hands in life and in death.
6. This week is all trusting God with your spirit. Putting your life, your circumstances, and even the end of your life into God's hands. Whatever we place into the hands of God is safe and secure. What is it that you are possibly not trusting God for? Give it to Him today.
