

# Help Us Raise The Value Of Your Home!

We are in the process of selling your neighbor's home. Neighborhood reviews from people who live in the area increase the value of a home when it finally sells. When your neighbor's home value increases at the sale, your home value increases as well. Help us, help you. Tell us what's great about this neighborhood on the back of this postcard and drop in the mail right away!

We are in the process of marketing your neighbors house for sale which is located at...

The homeowners have granted me the permission to ask you to share your impressions of what it is like to live within this general neighborhood.

Prospective buyers place a high value on the ratings and review like comments from those who have already experienced where they are considering moving.

I would very much appreciate it if you could kindly share a couple of reasons you would recommend this neighborhood/community

Thank you.
