PROPS, a product of **YOUNOW, INC.**

SAFT
(Simple Agreement for Future Tokens)

THIS CERTIFIES THAT in exchange for the payment by the undersigned purchaser (the "**Purchaser**") of _____ (the "**Purchase Amount**") on or about _____, 2017 (the "**Effective Date**"), YouNow, Inc., a Delaware corporation (the "**Company**"), hereby issues to the Purchaser the right (the "**Right**") to certain units of PROPS (the "**Token**" or "**PROPS**"), subject to the terms set forth below.

1. Events

(a) **Application Launch.** If there is an Application Launch before the expiration or termination of this instrument, the Company will issue to the Purchaser the Launch Date Tokens on or about the Application Launch date (and in any event within thirty (30) days following the Application Launch date). Following the Application Launch date, the Unvested Tokens shall be issued to the Purchaser linearly, by block, measured from the date of the Application Launch, such that the Total Tokens shall be fully issued at the end of the Vesting Period (as measured starting from the Application Launch).

In connection with and prior to the issuance of Tokens by the Company to the Purchaser pursuant to this Section 1(a):

(i) The Purchaser will, at the request of the Company, execute and deliver to the Company any and all other transaction documents related to this SAFT, including verification of accredited investor status or non-U.S. person status under the applicable securities laws; and

(ii) The Purchaser will provide to the Company a network address for which to allocate Purchaser's Tokens upon the Application Launch.

(b) **Dissolution Event.** If there is a Dissolution Event before this instrument expires or terminates, the Company will pay an amount equal to the Purchase Amount (the "**Returned Purchase Amount**"), due and payable to the Purchaser immediately prior to, or concurrent with, the consummation of the Dissolution Event. If immediately prior to the consummation of the Dissolution Event, the assets of the Company that remain legally available for distribution to the Purchaser and all holders of all other SAFTs (the "**Dissolving Purchasers**"), as determined in good faith by the Company's board of directors, are insufficient to permit the payment to the Dissolving Purchasers of their respective Returned Purchase Amounts, then the remaining assets of the Company legally available for distribution will be distributed with equal priority and pro rata among the Dissolving Purchasers in proportion to the Returned Purchase Amounts they

would otherwise be entitled to receive pursuant to this Section 1(b). Any distributed amounts shall be in U.S. Dollars.

(c) Termination. This instrument will expire and terminate upon the earlier of (i) the issuance of Tokens to the Purchaser pursuant to Section 1(a); (ii) the payment, or setting aside for payment, of amounts due the Purchaser pursuant to Section 1(b); (iii) ninety (90) days from the Effective Date (the “**Deadline Date**”), if the Application Launch has not occurred as of such date; provided that, the Company shall have the right to extend the Deadline Date by thirty (30) days, in its sole discretion. In the case of (iii), the Company shall have the obligation to repay to the Purchasers the aggregate amount of all Purchase Amounts if such termination event occurs.

4. Company Representations

(a) The Company is a corporation duly organized, validly existing and in good standing under the laws of Delaware, and has the power and authority to own, lease and operate its properties and carry on its business as now conducted.

(b) The execution, delivery and performance by the Company of this instrument is within the power of the Company and, other than with respect to the actions to be taken when Tokens are to be issued to the Purchaser, has been duly authorized by all necessary actions on the part of the Company. This instrument constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity. To the knowledge of the Company, it is not in violation of (i) its current articles of incorporation or bylaws, (ii) any material statute, rule or regulation applicable to the Company, or (iii) any material indenture or contract to which the Company is a party or by which it is bound, where, in each case, such violation or default, individually, or together with all such violations or defaults, could reasonably be expected to have a material adverse effect on the Company.

(c) To the knowledge of the Company, the performance and consummation of the transactions contemplated by this instrument do not and will not: (i) violate any material judgment, statute, rule or regulation applicable to the Company; (ii) result in the acceleration of any material indenture or contract to which the Company is a party or by which it is bound; or (iii) result in the creation or imposition of any lien upon any property, asset or revenue of the Company or the suspension, forfeiture, or nonrenewal of any material permit, license or authorization applicable to the Company, its business or operations.

(d) No consents or approvals are required in connection with the performance of this instrument, other than: (i) the Company's corporate approvals; and (ii) any qualifications or filings under applicable securities laws.

5. Purchaser Representations

(a) The Purchaser has full legal capacity, power and authority to execute and deliver this instrument and to perform its obligations hereunder. This instrument constitutes valid and

binding obligation of the Purchaser, enforceable in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity.

(b) The Purchaser has been advised that this instrument is a security and that the offers and sales of this instrument have not been registered under any country's securities laws and, therefore, cannot be resold except in compliance with the applicable country's laws. The Purchaser is purchasing this instrument for its own account for investment, not as a nominee or agent, and not with a view to, or for resale in connection with, the distribution thereof, and the Purchaser has no present intention of selling, granting any participation in, or otherwise distributing the same. The Purchaser has such knowledge and experience in financial and business matters that the Purchaser is capable of evaluating the merits and risks of such investment, is able to incur a complete loss of such investment without impairing the Purchaser's financial condition and is able to bear the economic risk of such investment for an indefinite period of time.

6. Procedures for Purchase of Rights and Valuation of Purchase Amount.

(a) The Company will accept payment for the Right purchased under this SAFT in U.S. Dollars, Bitcoin, or Ether. Purchaser shall make the required payment to the Company in consideration for Purchaser's purchase of the Right pursuant to the SAFT in the manner communicated by the Company.

(b) For purposes of this instrument, the value of the Purchase Amount shall be deemed in U.S. Dollars whether the Purchaser pays in Bitcoin or Ether, valued at the Applicable Exchange Rate for Bitcoin or Ether. The term "**Applicable Exchange Rate**" shall mean the volume-weighted average hourly price of Bitcoin or Ether across exchanges in the one hour preceding the Effective Time; *provided*, however, that in the event that such exchanges experience technical issues in such period that affect the accuracy of the volume-weighted average price, the Company will use its reasonable best efforts to determine the volume-weighted average price of Bitcoin and Ether for such period.

7. Miscellaneous

(a) This instrument sets forth the entire agreement and understanding of the parties relating to the subject matter herein and supersedes all prior or contemporaneous disclosures, discussions, understandings and agreements, whether oral or written, between them. This instrument is one of a series of similar instruments entered into by the Company from time to time. Any provision of this instrument may be amended, waived or modified only upon the written consent of the Company and the holders of a majority, in the aggregate, of the Purchase Amounts paid to the Company with respect to all SAFTs outstanding at the time of such amendment, waiver or modification.

(b) Any notice required or permitted by this instrument will be deemed sufficient when sent by email to the relevant address listed on the signature page, as subsequently modified by written notice received by the appropriate party.

(c) The Purchaser is not entitled, as a holder of this instrument, to vote or receive dividends or be deemed the holder of capital stock of the Company for any purpose, nor will anything contained herein be construed to confer on the Purchaser, as such, any of the rights of a stockholder of the Company or any right to vote for the election of directors or upon any matter submitted to stockholders at any meeting thereof, or to give or withhold consent to any corporate action or to receive notice of meetings, or to receive subscription rights or otherwise.

(d) Neither this instrument nor the rights contained herein may be assigned, by operation of law or otherwise, by either party without the prior written consent of the other; *provided, however*, that this instrument and/or the rights contained herein may be assigned without the Company's consent by the Purchaser to any other entity who directly or indirectly, controls, is controlled by or is under common control with the Purchaser, including, without limitation, any general partner, managing member, officer or director of the Purchaser, or any venture capital fund now or hereafter existing which is controlled by one or more general partners or managing members of, or shares the same management company with, the Purchaser; and *provided, further*, that the Company may assign this instrument in whole, without the consent of the Purchaser, in connection with a reincorporation to change the Company's domicile.

(e) In the event any one or more of the provisions of this instrument is for any reason held to be invalid, illegal or unenforceable, in whole or in part or in any respect, or in the event that any one or more of the provisions of this instrument operate or would prospectively operate to invalidate this instrument, then and in any such event, such provision(s) only will be deemed null and void and will not affect any other provision of this instrument and the remaining provisions of this instrument will remain operative and in full force and effect and will not be affected, prejudiced, or disturbed thereby.

(f) All rights and obligations hereunder will be governed by the laws of Delaware, without regard to the conflicts of law provisions of such jurisdiction.

(g) Each of the Company and the Purchaser agree to treat this instrument as a forward contract for U.S. federal, state and local income tax purposes, and will not take any position on any tax return, report, statement or other tax document that is inconsistent with such treatment, unless otherwise required by a change in law occurring after the date hereof, a closing agreement with an applicable tax authority or a final non-appealable judgment of a court of competent jurisdiction.

(h) The Purchaser shall, and shall cause its affiliates to, execute and deliver such additional documents, instruments, conveyances and assurances and take such further actions as may be reasonably requested by Company to carry out the provisions of this instrument and

give effect to the transactions contemplated by this instrument, including, without limitation, to enable the Company or the transactions contemplated by this instrument to comply with applicable laws.

(i) The Company shall not be liable or responsible to the Purchaser, nor be deemed to have defaulted under or breached this instrument, for any failure or delay in fulfilling or performing any term of this instrument, including without limitation, launching the Application or consummating the Application Launch, when and to the extent such failure or delay is caused by or results from acts beyond the affected party's reasonable control, including, without limitation: (a) acts of God; (b) flood, fire, earthquake or explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, or other civil unrest; (d) the application or change of any Law; or (e) action by any Governmental Authority.

(j) Each party to this SAFT acknowledges that Cooley LLP ("**Cooley**"), outside general counsel to the Company, has in the past performed and is or may now or in the future represent one or more Purchasers or their affiliates in matters unrelated to the transactions contemplated by this SAFT (the "**Financing**"), including representation of such Purchasers or their affiliates in matters of a similar nature to the Financing. The applicable rules of professional conduct require that Cooley inform the parties hereunder of this representation and obtain their consent. Cooley has served as outside general counsel to the Company and has negotiated the terms of the Financing solely on behalf of the Company. The Company and each Purchaser hereby (a) acknowledge that they have had an opportunity to ask for and have obtained information relevant to such representation, including disclosure of the reasonably foreseeable adverse consequences of such representation; (b) acknowledge that with respect to the Financing, Cooley has represented solely the Company, and not any Purchaser or any stockholder, director or employee of the Company or any Purchaser; and (c) gives its informed consent to Cooley's representation of the Company in the Financing.
