Concord Historical Society EVENT CENTER

Ideal for weddings, quinceañeras, fundraisers, theater style performances, movie events, company events, business meetings, presentations, conferences and more!

The Heritage Center is an affordable and glamorous event venue. With the recent renovations you and your guest will experience, in an historical setting, restored antique doors and entrance ways, all wood flooring, beamed ceiling, and updated acoustics are perfect for creating the event of your dreams.

Whether you're having a live band or playing a playlist from your device, the music will sound great in this room due to the acoustics being designed for musical performances. You can also entertain your guests with a slideshow or video on the large projection screen. (Projector available upon request.)
