CONCORD, Calif. — May 20, 2023 — [Six Flags Hurricane Harbor Concord](#), Northern California's Most Thrilling Water Park, opened its gates for the 2023 season to excited guests looking for ways to cool off and have fun today. Thousands gathered on the hot day to be amongst the first to soak up the sun amongst the many new amenities the Bay Area landmark is bringing to guests this year. New offerings include additional private cabanas, expanded shaded seating areas, a swim-up bar, more food and beverage offerings like funnel cake, along with general enhancements throughout the park.

"As the temperatures rise, we know our guests are anxious to cool off and enjoy the incredible world-class thrills that Six Flags is known for," said General Manager Kirk Smith. "Our entire team has worked hard this offseason to elevate the park experience and is excited to share those new amenities with our guests."

Six Flags Hurricane Harbor Concord attractions feature a variety of thrills for everyone including:

- **Adrenaline Seekers** - Among the park's most thrilling attractions is Break Point Plunge, a 100-foot tall tower where riders step into an enclosed vertical capsule and the floor drops out beneath them, sending them free-falling through a heart-pounding 270-foot-long looping adventure. Another favorite is Tornado, a six-story funnel of wet and wild excitement that swirls riders back and forth;
- **Friends and Families** - For the family that wants to ride together, Big Kahuna is an exhilarating raft adventure that features twists, turns and thrilling banked curves. Relax on the Kaanapali Kooler lazy river and let the current do all the work as guests float around the park on the largest attraction of its kind in Northern California;
- **Thrill Seekers in Training** – With pint-sized water slides, rain curtains and splashing effects, Splashwater Island keeps the entire family cool. Families can relax together while little ones explore multiple levels of water play features and fountains. There's also Caribbean Cove which is specially designed for kids and toddlers and features gentle jets, fountains, and splash areas; and
- **Cabana Rentals** – For a more relaxing experience, Hurricane Harbor Concord features private rental cabanas with lounge chairs, food and beverage wait service and free tube rentals. This relaxing option offers guests more privacy and shade for their families and friends.
