

# The LEGENDARY LIFE CHART

## GET CLEAR ON YOUR CALLING

**Every woman has a story.** There isn't a single legendary, iconic, or interesting woman who hasn't overcome her fair share of life's toughest obstacles to ultimately discover her true calling and purpose.

Now's the time to look at: what story have you been telling about your life so far? There's likely a more powerful way to see everything you've been through. It's up to you to become the heroine, not the victim, so you can fulfill your calling unapologetically, with power, purpose and benevolence.

**This chart will help you get clear on WHO you're meant to serve and WHAT your *true* calling is, so that you can start showing up for your people no matter what.**
