

MAKE *your* DESIRES *your* REALITY

To be truly unapologetic about your desires, you've got to get clear and comfortable about what they actually cost! It's time for you to get specific about the life that's going to have you feeling supported, free and empowered to step forward as a Queen.

Use the charts below to list out what you desire in every area of your life. First, we'll go through your monthly lifestyle desires. Feel free to omit or add your own categories, and get as detailed as possible so you can accurately estimate costs. Then, add any desires that you would invest in on a less frequent basis into the yearly chart to get a complete picture of what your epic life looks like!

Now, we're going to look at the gap between what you're currently earning and what your desires cost. Use the chart below to get clear on the difference.

Do you see a huge gap? Don't worry, I've got you covered. We are going to bridge that gap!

TAKE A MOMENT TO FOCUS ON ASKING YOURSELF BETTER QUESTIONS, LIKE:

How can I close this gap?

How can I create greater impact?

How can I be the Queen of my life so that I am ultimately doing exactly what I want to be doing?

How am I using my gifts and talents in a way where I wake up feeling inspired so that other people can benefit as well?

So, you've got your epic life all laid out, and you know just how POSSIBLE it is for you to have it! Your next step? Taking complete personal responsibility and claiming this dream as your destiny.

NEXT, I INVITE YOU TO BRAINSTORM AND ANSWER THE FOLLOWING:

How will starting or growing your dream business close this gap?

What do you need to create to make it possible?

Maybe you don't really know exactly how you will make it happen yet, and that's totally ok! Getting caught up on the "how" is what stops most people from ever starting. All you really need to know is that your success is non-negotiable, and commit to taking one step forward each day.

NOW LET'S ANSWER SOME MORE QUESTIONS TO FIGURE OUT WHY THAT DREAM BUSINESS ISN'T HAPPENING JUST YET:

What are the top 3 reasons that you're not starting or growing your business at the level you desire?

1.

2.

3.

Now ask: How much of an excuse is it really?

Remember, whatever you tell yourself becomes your truth. So if you tell yourself that you don't have enough time, money, etc. then that's the reality you'll experience. So, what if you start telling yourself something *different*?

COMMIT TO SAYING:

"I DO have the money, the money IS coming to me. I always have the money for what my needs are. God is supporting me with the money that I need for my business."

"I have MORE than enough time to take care of my family, be a good wife, do my job well, and get my business off the ground."

If you repeat these things over and over again, then you will begin to create the money / time / etc. and they will become your reality. Stop making excuses, and start saying, "YES, this is my #nonnegotiable and my #newnormal!"
