RELIABLE, HIGH-PERFORMANCE

VITREOUS CHINA FIXTURES FOR

ANY COMMERCIAL APPLICATION

TABLE OF CONTENTS

MADE IN THE USA

Dedicated to the spirit of the American worker, Mansfield features a wide range of quality products proudly Made in the USA. Just look for this symbol.

SINGLE SOURCE.
SINGLE SPECIFICATION.
SINGLE RESPONSIBILITY.

Specifying vitreous china fixtures for any commercial application can be a daunting task. Performance, reliablity, accessibility, styling, water conservation and other considerations are all critical to a commercial installation. When you choose Mansfield,® you get products and service backed by over 80 years of commercial fixture experience and innovation.

The core of Mansfield's strength has always been our engineering and manufacturing. A leader in technology, we were first with our Quantum® pressure-assist toilets.

At Mansfield, we work hard to maintain our reputation for excellence and to offer an extensive commercial product line designed to accommodate today's demanding applications. We also offer the best protection in the china industry— the Mansfield Limited Lifetime Warranty.

All it takes is one call. Simple and concise. One call to source, specify, and service.

PRESSURE-ASSIST TOILETS

Quantum® pressure-assist toilets use up to 40% less water and all offer outstanding "one flush" performance. Whether you choose the ultra-efficient 1.0 Gpf QuantumOne™, the Quantum® 1.28, or the 1.6 Gpf Quantum®, you'll be assured of superior performance over conventional gravity flush toilets.

Pressure-Assist Flushing Performance & Conservation

The power to conserve water yet perform to the demands of commercial applications — these are the high standards achieved by the Mansfield® Pressure-Assist Flushing System.

The flushing power delivered by all Quantum® model toilets easily exceeds all ANSI/ASME toilet tests including the 60' drainline carry. For water conservation AND commercial-grade reliability, put the power of the Mansfield® Pressure-Assist Flushing System to work for you.

Pressure-Assist Flushing Performance

All Mansfield® Quantum® Models — **60 feet** (18 meters)

Average Consumption:
Quantum® – 1.6 Gpf / 6.0 Lpf, **Quantum® 1.28** – 1.28 Gpf/4.86 Lpf, **QuantumOne™** – 1.1 Gpf / 4.0 Lpf

Gravity Flush*
Average Consumption
1.6 Gpf / 6.0 Lpf — **49 feet** (14.9 meters)

* Test report ASME A112.19.2-2003
