Minimum Billing - \$50.00

Conditions of Sale

PRICES: All prices and conditions are subject to change without notice and all quotations, unless otherwise specified, are binding only for immediate acceptance. Published prices are based on material made to EPC's standard tolerances and dimensions. All orders are subject to acceptance by the home office. Orders accepted will be on the basis of price in effect on the date of shipment.

FREIGHT: Freight will be allowed on single shipments of \$750 net or more to any one destination in the United States, except for Alaska and Hawaii. However, two or more orders may be combined in one shipment for freight allowance. On freight allowed shipments the consignor reserves the right to control the routing and use the route having the lowest published rate.

RETURN OF GOODS: No material is to be returned without our written permission. A minimum handling and inspection charge of 25% will be levied on all approved goods, plus transportation charges both ways. Returns will not be accepted for bagged product that has been opened.

Warranty

Conbraco Industries, Inc. and Elkhart Products Corporation warrants, to its initial purchaser only, that its products which are delivered to this initial purchaser will be of the kind described in the order or price list and will be free of defects in workmanship or material. For Valve products, this warranty is for a period of FIVE years from the date of delivery to you, our initial purchaser. This warranty applies to Apollo brand product with "Made in the USA" markings only. Should any failure to conform to these warranties appear within FIVE years after the date of the initial delivery to our initial purchaser, Conbraco will, upon written notification thereof and substantiation that the goods have been stored, installed, maintained and operated in accordance with Conbraco's recommendations and standard industry practice, correct such defects by suitable repair or replacement at Conbraco's own expense. For All Hoses with Ball Valves Factory Attached, (Elkhart Products Corporation) this warranty is for a period of TWO years from the date of delivery to you, our initial purchaser. For All Fittings, (Elkhart Products Corporation) this warranty is for a period of FIFTY years from the date of delivery to you, our initial purchaser. Elkhart Products Corporation also warrants that all fittings will be free from defects in material and workmanship which will impair their usefulness provided they are used in the service for which they are recommended. Any fitting which proves to be defective will be replaced or a credit issued, but no incidental labor charges, expenses or damages will be allowed.

Liability Policy PART A

Except as expressly stated on this document, Seller shall not be liable to the Buyer or to any other person, firm or corporation for any incidental or consequential loss, damage or injury arising out of any breach of warranty or any other act or default relating to Buyer's order or to product or services provided to Buyer, even if any such loss, damage or injury is caused by Seller's negligence. The correction of defects as provided in the warranty statement above shall constitute Seller's full obligation with respect to all claims and Seller's liability shall in no event exceed the unit purchase price of the product in question.

Any lawsuit or other action based upon breach of this contract or upon any other claim arising out of this sale (other than an action by Seller for any amount due to Seller by Buyer) must be commenced within one year from the date of the tender of delivery by Seller or, in the case of a cause of action based upon an alleged breach of warranty, within one year from the date within the warranty period on which the defect is or should have been discovered by the Buyer.

"Apollo"

Piping Systems

TOTAL PIPING SYSTEMS INTEGRATION

COPPERLOC

Made in America. Non-removable copper push fitting with a 50 year warranty. This helps join Copper, CPVC, or PEX with no tools, heat, glues, flux or solder required. They range from 1/2 to 1" size for potable water, hot and cold water systems. What sets these fittings apart from our Tectite fittings is that they can be used behind walls without an access panel since they are non-removable.
