

Features

- 1.28 gallons per flush (gpf).
- Standard left-hand Polished Chrome trip lever included.
- Tank locks included.
- Supply line not included.
- Combines with the K-4309 bowl to create a complete K-3609-T Cimarron toilet.
- Coordinates with other products in the Cimarron collection.

Technology

- Single-flush gravity uses the force of gravity and a precision-engineered tank to create a strong siphon during flushing.
- AquaPiston canister allows water to flow into the bowl from all sides (360 degrees), increasing the power and effectiveness of the flush.
- Flush valve's 3: 2 ratio harnesses the natural force of gravity and optimizes flush performance.
- Durable canister design has 90% less exposed seal material than a 3-inch flapper, for leak-free performance.
- Light-touch canister flush requires a lower actuation force than a flapper.

Installation

- DryLock™ System saves installation time and helps prevent water leakage.

Recommended Products/Accessories

K-4309 Elongated Toilet Bowl
