Combining Italian design and American craftsmanship, we've brought our expertise into the kitchen with faucets and ensembles that include everything from matching prep faucets to soap dispensers. Each faucet reflects the award-winning ingenuity, attention to detail, and ability to customize that sets California Faucets apart.

Each faucet is built with solid-brass construction and includes a pull-down spray spout that toggles seamlessly between stream or spray. All spouts swivel 360 degrees for maximum reach and flexibility. Choose between multiple handle options and over 25 decorative finishes, including 12 choices in PVD, the most durable finish in the world.

THE “SQUEEZE” HANDLE

Inspired by pro-style restaurant faucets, the “squeeze” handle is the latest innovation from California Faucets. Operate the spout with one hand to generate a powerful spray. Release the handle for a smooth aerated flow.

We can't promise you it will make doing dishes fun. We can't promise you it will make your kids want to do the dishes. We can promise you each faucet is handcrafted with our signature solid brass construction and available with every kitchen faucet series.

SHOWER SYSTEMS

A shower is your daily fresh start. We can help you make that experience truly luxurious, head to toe. California Faucets is the complete shower solution with innovations at every level, including precision temperature control, state-of-the-art showerheads, hand showers, and body sprays. Like most items, our shower fittings are offered in over 25 decorative finishes, including 12 choices in PVD, the most durable finishes available today.

STYLETHERM®

is a revolutionary new approach to the thermostatic shower valve that delivers precision temperature control for comfort and safety. With innovative engineering solutions developed at California Faucets, we offer superior showering technology for the same price as an inferior standard technology, such as pressure balance.

StyleTherm's innovative design features independent water volume control for all applications without the need to toggle between them.

FEATURE COMPARISON

STYLETHERM® VS PRESSURE BALANCE

| | STYLETHERM THERMOSTATIC | STANDARD PRESSURE BALANCE |
|---|----------------------------|------------------------------|
| Delivers mixed water to showerhead | ✓ | ✓ |
| Easily and accurately sets precise mixed water temperature | ✓ | |
| Protects against dangerous sudden temperature changes in water pressure and temperature | ✓ | |
| Temperature override button prevents inadvertent scalding | ✓ | |
| Volume control(s) allow you to adjust water flow from low to high | ✓ | |
| Independent volume controls to operate multiple devices simultaneously | ✓ | |

ALL BRASS HANDSHOWERS

Our new brass multi-function handshowers come in a variety of styles, including traditional, contemporary, industrial and even steampunk. Featuring rain, air, and massage settings as well as helpful self-cleaning rubber jets, these highly durable and ergonomic handshowers are sure to please. Available in over 25 decorative finishes.

STYLEFLOW®

StyleFlow is our family of showerheads that carry on the Swiss tradition of timeless craftsmanship and unsurpassed quality. Powered by Swiss Shower Technology®, StyleFlow represents just a part of our meticulously engineered line of innovative showerheads and handshowers. Smoothly operating spray dial, vigorous booster massage spray, easy-to-clean spray jets, and superb fit and finish are the hallmarks of this best-in-class showerhead.

California Faucet's **Single Handle Tub Filler** has a high flow rate at an extraordinary 10 GPM. Experience a deluge of water as your tub quickly fills with steaming hot water. Our signature solid brass construction, high-quality ceramic cartridge, and built-in stainless steel connections offer long-lasting durability and easy installation.

LUXURY DRAINS

California Faucets was the first to bring luxury shower drains to the industry, turning a formerly utilitarian product into a beautiful design focal point. These award-winning originals are built with a level of quality that remains unmatched.

STYLEDRAIN®

StyleDrain® is the only decorative drain system of its kind. The patented design features beautiful patterns in solid, forged brass and is available in over 25 decorative finishes. With no visible screws, it's easy on the eyes and feet.

STYLEDRAIN® by Christopher Grubb

Christopher Grubb is a modern day renaissance man. His achievements encompass Interior Designer, TV/Radio Personality, On-Air Host for House Tipster, Educator, and Product Designer. Christopher's creative vision and design expertise manifests itself with the debut of his new StyleDrain collection for California Faucets. Each series was inspired by iconic streets in Los Angeles.

STYLEDRAIN® TILE

StyleDrain Tile is a patented innovation that allows you to lay in any tile to seamlessly match the rest of the shower. As a result, the drain virtually disappears.

ZERO DRAIN

Our patented ZeroDrain® is the revolutionary drain from California Faucets. In the open position, the stopper is level with the sink, resulting in a superior “zero clearance” design. Virtually impossible to clog, ZeroDrain® is easier to install and service compared to standard pop-up drains, saving significant time and money.

ACCESSORIES

A bathroom's fittings should have the same design continuity you'd expect of any other room interior. That's why we offer a complete line of plumbing specialties, from robe hooks to towel bars and soap dispensers. All of our trim pieces and coordinated bathroom accessories are available in over 25 decorative finishes, including 12 in PVD. Complement your faucet style with our many accessory and trim options, including:

- Towel rings
- Grab bars
- Toilet paper holders
- Towel bars
- Robe hooks
- Cabinet pulls and knobs

FINISHES

PVD (Physical Vapor Deposition) finishes come with a lifetime guarantee against tarnishing. Super-hard and molecularly bonded, PVD is by far the most durable finish available.

LF (Living Finishes) are created by artisan hands to uniquely age and change over time. Because they are more delicate by nature, please make sure to follow our living finish care instructions.
