REPREVE[®] SULTRA[®]

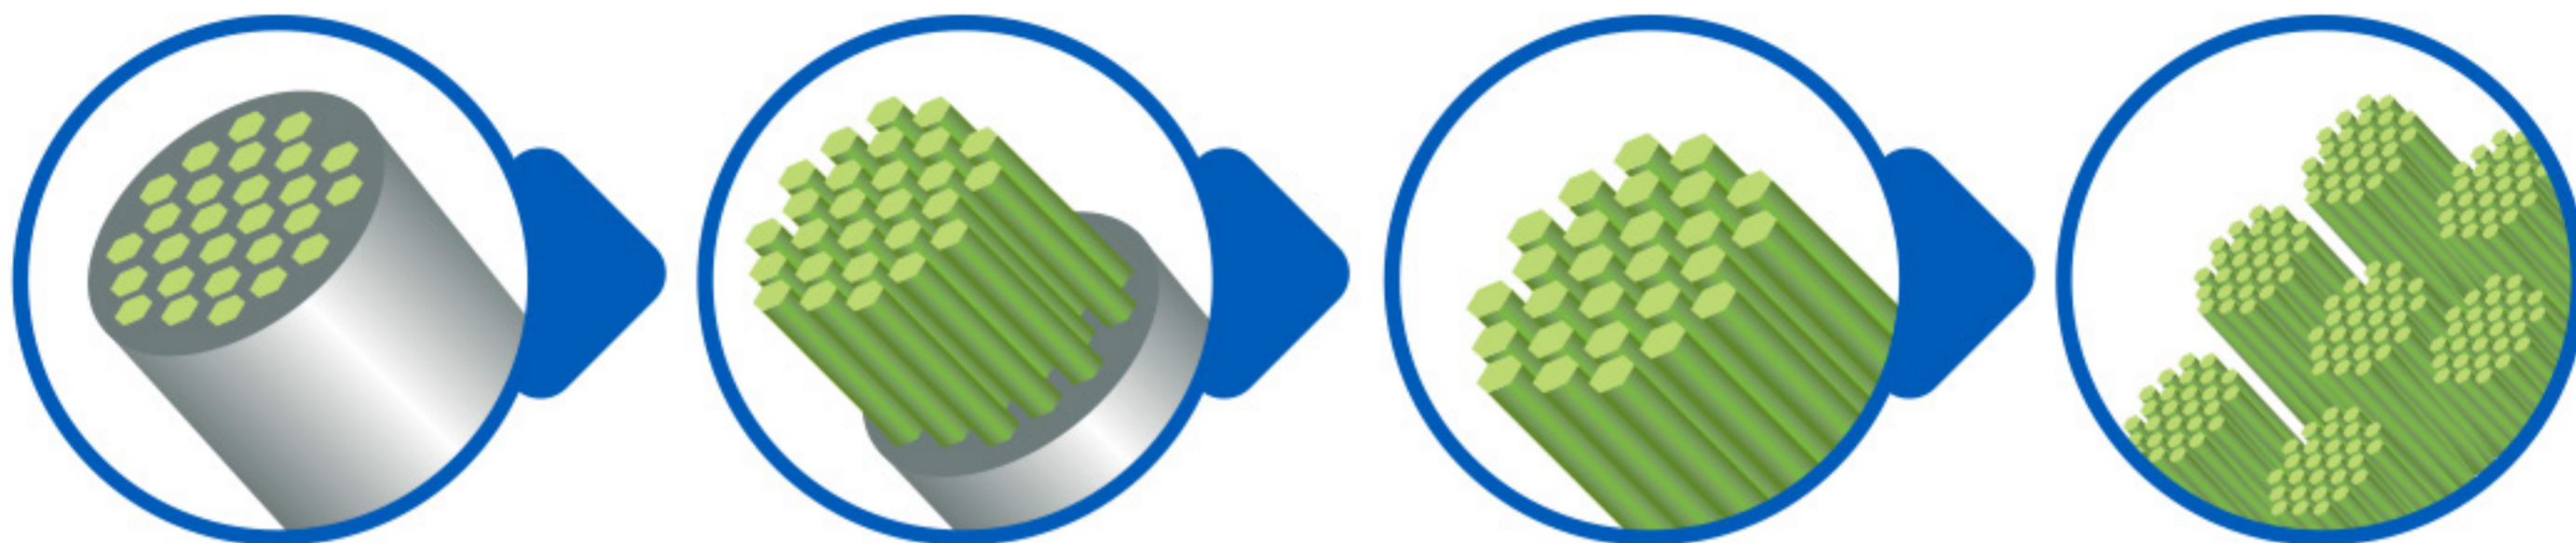

Made with REPREVE[®] recycled materials, this sustainable, versatile yarn features an exceptionally high surface area and offers very soft, luxurious hand with a silken or suede touch in a range of aesthetics.

REPREVE® is the world's number one, branded recycled performance fiber. High-quality, recycled fibers are certified and traceable, and made from 100% recycled materials, including post-consumer plastic bottles and pre-consumer waste.

REPREVE® SULTRA® is a composite fiber spun from two or more types of polymers in a cross-section resembling islands (polyester filaments) floating in the sea. The sacrificial polymer dissolves and results in ultra-micro dpf as low as 0.06.

POTENTIAL BENEFITS:

- Lighter-weight fabrics for the same bulk.
- Soft, luxurious hand with a silken or suede touch.
- Excellent drape.
- Insulates well against wind, rain and cold.
- Range of luster, aesthetics and textures possible.
- Made with **REPREVE®**, the only eco-performance fiber with **U TRUST®** verification to certify recycled content claims.
