RECORDING STORAGE

Storage Space	8-Hour Days	5 Agents	10 Agents	25 Agents	50 Agents
32 GB	700	140	70	28	14
250 GB	5,461	1,092	546	218	109
500 GB	10,922	2,185	1,092	437	218
1000 GB	21,845	4,370	2,185	875	437

The number shows the number of days until the hard drive fills up.

*Chronicall can't be installed on the same PC / Server as IP Office Server Edition or the Application Server

*Chronicall Server and Multimedia Server can't co-reside on the same hardware. Both can be virtualized.

* For VRTX hardware Xima recommends connecting it to a physical server

*Chronicall Multimedia is not supported in a Citrix environment
