Golden Sustainability Initiative
2013 Progress Report & Work Plan

The mission of the Community Sustainability Advisory Board is to assist the City of Golden in achieving its ten-year sustainability goals as adopted in Resolution 1793. In order to facilitate achievement of these goals, the Board will lead, encourage, enable, and empower the citizens, visitors, and people who work in Golden, to live in a sustainable manner.

The Stormwater Program
The Storm Sewer transports rain water and snow melt and empties directly into Clear Creek. The Sanitary sewer transports residential and commercial wastewater to the Millercoors waste treatment plant.
