For your hearing, you will be responsible for supplying evidence to support your request. The burden of proof is yours to show that you meet at least one of the criteria listed by statute. If you are claiming inability to pay, please bring to the hearing any relevant financial information to prove your case. Personal financial information, including tax returns and related information that is exempt from (not subject to) public inspection under Vermont's Public Records Law will not be shared with the public.

Following receipt of your abatement request, the Board of abatement will notify you of the date, time, and place of your hearing. At the hearing, you will be responsible for supplying evidence to support your abatement request. You are not required to appear in person, although you are encouraged to do so, so you can provide verbal testimony and answer any of the Board's questions. If you do not appear at the hearing, the Board's decision will be based solely on the information provided in this form or submitted with your abatement request. The Board may choose to abate all or part of the taxes, interest and penalties due, but is under no obligation to grant any abatement requests.

You will be notified in writing of the Board's decision.

The filing of this application does not stay the collection of your property tax. To avoid imposition of interest and collection fees, the tax should be paid when due.

If you do not agree with the Board's decision, you may appeal the Board's decision to Superior Court in accordance with Rule 75 of the Vermont Rules of Civil Procedure.
