Letter From the Executive Director

At Emeritus Senior Living, our residents’ well-being is our top priority. We know that the number one reason people select a senior living community is the quality of care they receive.

We are passionately committed to making a difference in people’s lives by providing service of the highest quality and value in a supportive environment, promoting the health, independence and social interaction of seniors.

We’re dedicated to providing this exceptional care for our residents, and if there is ever anything we can do for you, please do not hesitate to ask.

As always, our family is committed to yours.

Happy Thanksgiving

Americans celebrate Thanksgiving on the fourth Thursday in November. Family, friends, turkey and football are often the focus. Enjoy your holiday!

If the Shoe Fits

Wearing the wrong shoes, especially when exercising, can cause unnecessary hip, back and knee pain. Visit a custom orthotics or specialty shoe store to find the proper fit to help ease aches.

Happy Birthday

A Salute to Veterans Day
On Nov. 11, America will observe Veterans Day, a day to honor the heroic men and women who have served our country. It’s an important day to be sure, but do you know the origins of this meaningful holiday?

In 1918, World War I was informally ended with an armistice in the 11th hour of the 11th day of the 11th month. One year later, President Woodrow Wilson proclaimed the date Armistice Day to pay tribute to American veterans who had served in the war. In 1938, Congress declared Armistice Day a federal legal holiday.

President Dwight Eisenhower signed legislation in 1954 changing the holiday’s name to Veterans Day, a day dedicated to American veterans of all wars.
Latonya Cunningham has not been with Emeritus long, but has made an impression. Latonya became an employee in August of this year.

“Latonya has a consistent mood and tone with the residents. She does not need to be told what to do ... she just does it. She has become a real asset in a short time,” says our Resident Care Director, Yvette Thompson.

“I really enjoy my time with the residents. You really get to know them and the interesting stories of their lives,” says Latonya.

Thanks Latonya, for a job well done!

“Military Medals

Few sights command more respect and admiration than a member of the armed forces in a uniform adorned with awards and decorations.

Each branch of the armed forces has badges, pins, ribbons and medals that are awarded for various achievements. Among them:

The Good Conduct Medal. As its name implies, the Good Conduct Medal is awarded for exemplary conduct, efficiency and fidelity throughout a specified period of active military service.

The Purple Heart. Directly descended from the Badge of Military Merit created by George Washington in 1782, the Purple Heart is the oldest decoration in the world still in use. It is awarded to service members who are wounded or killed in any action involving an enemy of the United States.

The Distinguished Service Cross (Army), Navy Cross and Air Force Cross. These medals are awarded for extraordinary heroism in combat.

The Medal of Honor. The pinnacle of all military decorations, the Medal of Honor is awarded for "conspicuous gallantry and intrepidity ... above and beyond the call of duty." The first Medal of Honor was awarded in 1863 to Pvt. Jacob Parrott.

Great to see Loretta enjoying herself at work!
