Well-Worn Path: *All That God Gives*

+++

Not just another battle: Jericho

Joshua 6

Good guys or bad guys?

Joshua 5:13-15

God is telling a bigger story.

All that God gives...

We've always had a hard time with...

The story is fulfilled in Christ.

Romans 12:1-2

For discussions at home or home group discussions:

- . Review Joshua 6 and 7.
- . What is a real event (like the battle of Jericho) in your life that has served you more powerfully as a symbolic event - something that continues to reveal truth, direction, God's character?
- . Why does God respond so strongly (7:10-12) to Joshua's repentance (7:6-9)?
- . Why do you think Achan took personal possession of "some of the devoted things?" What is the warning here for us?
