Season of EPIPHANY

Standing and Sitting: two weeks on perspective and privilege

+++

We are talking about our posture as followers of Jesus

What does a posture of servanthood towards a city look like?

“You don’t know what you are asking.”

Have you ever felt like God responded to your prayers like this?

Sitting on Thrones vs. Sitting by the Roadside

Respond:

- . You want to be great and have the best seats in the Kingdom?
Serve.
- . What could this look like for your home group?
- . For this time in your life, what is your answer to Jesus’ question- “What do you want me to do for you?”
- . Who is God placing in your life right now for you to demonstrate the Kingdom ethic of serving others?
