Respond: go deeper.

- . *Comment on what was, for you, the most interesting or helpful part of the message.*
- . Think of a time when you were involved in the restoration of a place/person/relationship/thing. How did you "get" the vision?
- . In what area of your life do you need restoration? Do you have a vision for what restoration would look like in that situation?
- . For whom might you help "paint a picture with room?" How might you help reveal a hopeful vision to someone near to you?
