LAS VEGAS ARRIVE & DRIVE RACING

“NOTHING ELSE LIKE IT”

After a successful year of our VSK SPRINT RACING SERIES, we are launching our new endurance racing series in 2021! This will be the first go-kart endurance racing championship in Las Vegas, making it the perfect addition to your vacation plans. Located at the world-famous Las Vegas Motor Speedway, Vegas Superkarts is THE PLACE to be when it comes to go-kart racing.

Will you be the next driver to join us?

Endurance racing delivers entertainment, excitement and adrenaline pumping fun! The championships consist of long-distance races in a team of at least 2 drivers. Compete in 5 rounds including a combination of 2 and 6-hour races, wrapping up with the esteemed 12-hour race in November! All races will also be counted as part of the Sodi World Series, meaning that all racers could qualify for the world final! How far do you think you could make it? Join our series to find out!

RACE CATEGORIES

- Overall
- Corporate
- Pole Position
- Fastest Lap

THE CHAMPIONSHIP

SAME GO-KART, SAME TRACK BUT ONLY 1 WINNER TEAM

CHAMPIONSHIP POINTS SYSTEM

1 st : 50 pts	6 th : 28 pts
2 nd : 40 pts	7 th : 26 pts
3 rd : 35 pts	8 th : 24 pts
4 th : 32 pts	9 th : 22 pts
5 th : 30 pts	10 th : 20 pts

All the results are used for the championship standings

With its fast acceleration straightaway and 21 turns, the 4,000 feet long racetrack was specifically designed by professional racer drivers. Equipped with the latest high-tech safety barriers, our racetrack includes double apex corners, hairpins, fast sweepers and 90-degree corners.

Drivers have to wear safety equipment, including helmet and closed toe shoes. Racing overall, gloves and neck protection are optional. We provide helmets in case you don't bring your own. Go-Karts will be supplied by VEGAS SUPERKARTS. Allocated go-karts will be drawn by ballot.

Following the International Sodi World Series regulations, drivers must be at least 15 years old. Drivers under 18 years old must have a signed parent authorization form. The minimum driver weight is 176 lb (80kg). Ballast weight will be added if necessary.

Manufactured by SodiKart, the go-karts offer a top level performance and handling. They are powered by Honda engines which ensure equal acceleration, guaranteeing that everybody have the most competitive go-karts available.
