

Prayer of Consecration

To consecrate is to make or declare sacred; to devote to a purpose. I declare that this month of **October 2022** is a sacred time for me, devoted to fasting and prayer to deepen my fellowship with my Lord and Savior Jesus Christ.

Lord Jesus, I am yours completely and yours forever...I am yours through the purchase of your precious blood and I present myself to you spirit, soul and body...mold me and shape me like clay in the hands of the potter.

I give you my heart so that I may love only what you love that I may be patient, kind, never selfish, rude, irritable, touchy nor hold grudges and always hate what you hate. I submit every appetite, longing and desire to your Lordship that I may be always governed by you ways and uphold your standards.

I consecrate my mind and my intellect to you. Lord you have given me mighty spiritual weapons of warfare to pull down demonically motivated patterns of thinking and to cast down deceptive fantasies and arrogant attitudes that rise up in defiance of you Precious Savior or come in direct opposition to the knowledge of your truth. Help me to identify these thoughts and imaginations Lord so that I may capture every thought to insist on absolute obedience to you, Jesus Christ.

Lord I leave my reputation in your hands. I surrender all the care of my spouse, my children, grandchildren and everyone else I love; Lord I thank you for your tender care and divine purpose worked out in their lives.

Heavenly Father I will go where you want me to go and I will do what you want me to do; not my will but your will be done in my life. I believe Lord that you have begun a good work in me and this time of prayer and fasting will continue and advance your work in me as you will and do your good pleasure.

Consecrating My Body

I present my body to Jesus Christ as a living sacrifice; every member of my body I do surrender as an instrument of righteousness. My body is not my own for it is bought at an extravagant price, the precious blood of Jesus. My body is the temple of Holy Ghost and therefore I renounce every misuse or abuse of my body. I rededicate my body and all of it's members to the Lordship of Jesus Christ. My body is a vessel of honor prepared for the Master's use. Holy Spirit, fill this temple again and again. Restore my body to soundness and wholeness as it is under your complete dominion.

Consecrating My Home

Heavenly Father I thank you for your blessing resting upon my home. As my home is dedicated to you, it is under the authority of the name of Jesus Christ, the name that is above every name in heaven, on earth and under the earth. Every knee in all three worlds must bow and every tongue must confess the Lordship of Jesus Christ. Therefore, every demonic force that would try to divide my family is neutralized and ineffective. My home is supplied for abundantly and the inhabitants dwell in peace and safety. I apply the blood of Jesus to every doorpost and window. The destroyer shall not cross my threshold nor terrorize my family. My entire home, the land, every structure, including the foundation, all furniture and every appliance is consecrated to you Jesus. May your presence fill every room with love, peace and rest. I pray that my home is always a safe place to fellowship and to grow. Lord I pray that ministering angels be encamped around my home to secure and protect my home from all intruders, fires, or storm damage in Jesus name.

Consecrating My Workday

When I begin my workday I will do so with the utmost reverence for you Lord. I begin each day by dedicating my workday to you, seeking your guidance and inspiration along the way. I invite you Jehovah, to join with me in every endeavor in such power and glory that everyone in my workplace will sense your presence. I pray that through my dedication to you, I am able to bring peace into every situation. Fill me with the grace to serve others with compassion, humility and joy. Renew my strength by the power of your Holy Spirit each day and flood my heart with vision that I may lead with passion and confidence. Ultimately, my desire is that you will receive glory from whatever I put my hands to do. I thank you Lord for the power of Holy Spirit to teach me all things and grace me to complete all projects and assignments with excellence. I consecrate my workday to you heavenly Father in Jesus Name!

Consecrating Sexuality

In an age where sexual brokenness and confusion are rampant Lord, I consecrate my sexuality to you for clarity of understanding and purpose as well as healing emotionally and a sober attitude toward sexual intimacy connecting my body to the proper genuine worship of you through the celebration of a committed marital union between one man and one woman in sexual union. My sexuality is holy and consecrated unto you Lord. I will use my body only as an instrument of righteousness. In reasonable, rational worship unto you, I present my body a living sacrifice wholly acceptable unto you, my Lord and Master, Amen!
