Church of God in Christ

Greetings to the Mt. Calvary family and friends,

As you know this Coronavirus Disease (COVID-19), has hit the state of Washington quite hard. There is growing concerns over the Coronavirus epidemic that has in fact captured the attention of the entire world. The CDC has offered preventative guidelines that I strongly urge each and every one of you to follow. If you believe you have an illness which is contagious, one of the most important things you can do to protect your health and the health of others is to stay home. We appreciate the fact that you consider our weekly gatherings at Mt. Calvary to be one of the most important aspects of your lives. However, if you are experiencing symptoms of coughing, sneezing, fever, nausea, achiness, or any type of flu-like symptoms, we respectfully ask that you stay home and go to the doctor if you feel the need.

Our Facebook live will be available for you to watch our Sunday service this Sunday at 10:00am. You may also give electronically by visiting [www.mountcalvarycc.com](http://www.mountcalvarycc.com). Download the mobile app on android or at the apple store at Mt. Calvary Christian Center. Text to give to 77977 enter MountCavarycc.

As our health professionals search diligently for a cure to this virus, please remember to exercise common sense health practices. By covering your mouth when you cough or sneeze, regularly wash your hands with soap and water for at least 20 seconds, use hand sanitizer, and stay home if you are sick.

Based on the Governor's requirement that all social events with over 250 people be canceled, there is no need to cancel any of our church activities, as we will monitor our Sunday service to keep the number under 250, however, I ask that you cover your mouth when you cough, and that there be no hand shaking, or hugging of your neighbor in our Sunday service, and that you sanitize your hands upon entry into the building. Instead, we will simply say hello or rub elbows with our neighbors. Again, you will be able to watch our service on Facebook live.

Let us continue to pray that God would divinely intervene to heal all who have been impacted by this virus and bring it to a quick end worldwide. Also, pray for our healthcare workers and all those on the front lines of this unexpected pandemic.

We believe God is our healer and keeper, (Numbers 16:45-48; Deuteronomy 7:15a; Exodus 15:26; 2 Chronicles 7:14) and we will continue to put our trust and faith in Him. I am confident in this: we will live and see the goodness of the Lord in the land of the living as we fulfill His purpose and engender His kingdom on earth.

For the Kingdom,

Bishop Reginald C. Witherspoon Sr. – Senior Pastor
