NOTICE TO PARENTS AND GUARDIANS BY UNLICENSED MINISTRIES

"I understand that this child care ministry is not licensed under the laws of Indiana. However, I understand that this child care ministry must comply with the state rules concerning sanitation and fire and life safety for the primary use of the structure in which it is conducted. I understand it is my responsibility to insure that the nutritional and health needs of my child are met while my child is at the child care ministry." (*as added by P.L. 1-1993, Sec. 141*)

NOTICE CONCERNING FIRE SAFETY PROTECTION

Under Indiana law, a child care ministry may choose not to provide certain fire safety protections if the parent(s) or legal guardian(s) of each child is/are notified about the absence of the fire safety protections. The purpose of this notice is to advise you that this child care ministry does not have the same level of fire safety protection as a licensed child care center. As you have already been notified, the child care ministry does not have to comply with the same sanitation, life and fire safety rules as a licensed day care center. The reason you are being given this notice is that this child care ministry has chosen not to provide the fire warning system required in IC 12-17.2-6-5 (c) (1)(A) nor IC 12-17.2-6-5 (c)(2)(A). This form is stating that the ministry does not have the same level of fire safety protection as a licensed child care center.
