

## A Word from our Senior Pastor Valley K. Woodley

This battle is not yours.  
 You cannot fight the enemy using his weapons.  
 You don't even know how to wear the devil's uniform.  
 His uniform can't fit you.  
 Since you wore his uniform, you've lost so much 'weight'.  
 STOP trying to be who you are not.  
 That old man is gone.  
 You don't even know how to be revengeful.  
 Swallow the pride, cry out to God and allow Him to fight this one for you.  
 God knows where the enemy's ammunition is kept. The Lord knows where his dugouts are located. If you try to do this thing on your own, you're apt to step on a grenade and that could prove fatal. So don't even think about treading on the enemy's territory. Remember he is a master of disguises.  
 You are not skilled in his tactics but you know who is. He is already on top of it. For the weapons of our warfare are not carnal but mighty through God to the pulling down of strong holds.
