UPCOMING LEARNING & EVENTS AT ST. PAUL'S EPISCOPAL CATHEDRAL

28

SUNDAY
JUNE 28

Paleo Hebrew for All Ages | Dean Willey Hall | 10:10 a.m. | ALL AGES!

Jesus likely knew pieces of four languages: Greek, Aramaic, Hebrew, and Latin. Come explore the fascinating origins of the Hebrew language with Father TimSean and discover how ancient letters, symbols, and words can shape the way we read Scripture and imagine our faith.

This interactive session is designed for all ages and offers a fun opportunity to learn, ask questions, and experience the Bible through a new perspective.

Reading Between the Lines (RBTL) | Parlor | 10:10 a.m.

Grow your faith with a continued study of our Sunday lectionary, this week exploring Matthew 11:16-19, (20-24) 25-30. Led by lay leaders of our congregation, we listen, discuss, and consider what God is saying, and how it shapes our lives.

29

MONDAY
JUNE 29

The Feast of St. Peter & St. Paul | St. Nicholas Chapel | 12:10 p.m.

On Monday, June 29, the Church celebrates the Feast of St. Peter and St. Paul, honoring two of Christianity's most influential saints. Though very different in background and personality—Peter, the fisherman called by Jesus, and Paul, the scholar and missionary who carried the Gospel across the Roman world—both devoted their lives to proclaiming Christ and are traditionally believed to have been martyred in Rome. Did you know? St. Peter is often symbolized by keys, recalling Jesus' words, "I will give you the keys of the kingdom of heaven" (Matthew 16:19), while St. Paul is frequently depicted with a sword, representing both the "sword of the Spirit" and his steadfast witness to the faith.

FRIDAY
JULY 3

Stars, Stripes, & Pipes | Cathedral | 6:00 p.m.

Join us at St. Paul's Cathedral on Friday, July 3 at 6 p.m. for Stars, Stripes, and Pipes, a special community celebration marking the 250th anniversary of the United States. Inspired by the beloved Lessons and Carols tradition, this unique program will weave together readings from America's foundational documents, presidential speeches, poetry, and literature with patriotic music performed by organist Joseph Ripka, soloist Paul Laurence Fletcher, and the Cathedral's magnificent pipe organ. Featured readers include several prominent Oklahoma civic leaders. Together, these readings, prayers, and musical selections will offer an evening of gratitude, reflection, and hope as we consider our nation's past, present, and future. A patriotic Ice Cream Social will follow the program, with plenty of time to continue the evening at downtown Oklahoma City's Red, White & Boom celebration.

REQUEST PRAYERS

Intercessory prayer is a vital part of both our public worship and our private devotions. Each Sunday, our Cathedral community lifts up those on our prayer list during our services. In addition, the clergy regularly remember by name all those for whom prayers have been requested, and members of our intercessors group faithfully hold these intentions in prayer throughout the week.

We warmly invite you to request prayers for yourself and for those you love by scanning the QR code or going to stpaulsokc.org/prayer-requests

SUMMER SEASON AT ST. PAUL'S EPISCOPAL CATHEDRAL

.THIS IS MY STORY; THIS IS MY SONG!

What is your favorite hymn?

Throughout the summer, we'll celebrate the hymns that have shaped our faith journeys by singing parishioners' favorite selections during the offertory. If you'd like to submit a hymn to be considered, please email our Canon Precentor, Joseph Ripka, at jripka@stpaulsokc.org.

Hymns may be selected from any section of The Hymnal 1982. When submitting your request, please indicate your preferred service time and include a few sentences about why the hymn is meaningful to you. We look forward to sharing one another's stories, memories, and songs throughout the summer!
