1. We are needy people in a needy world.

2. We are completely inadequate to meet needs.

3. God is totally adequate to meet all needs.

4. Jesus, The Living Bead, is the only One who can meet man’s greatest need.

I pray today He might change your life for His glory! Today we are continuing a new sermon series “We Need a Miracle”. As we study the miracles of Jesus, we will get to know Him better. Prom Drive for 15th Street Baptist Church

This is the last week we will be collecting prom dresses and shoes (boys or girls) to send to 15th Street Baptist Church. The church will give these to students in the area whose families cannot afford them on their own. It’s an incredible outreach to the community that allows 15th Street to meet and serve many new families. Drop off any items at the Go Center in the lobby!
