

Sample Schedule of a Typical Day at Camp

ST. CRISPIN'S

It's not really about what we do at St. Crispin's - the activities and games. Camp is about the people, the relationships. So our first and foremost priority is creating a community - a space in which every camper feels loved and accepted. When a young person gets home from Camp, the lasting impact on them will come from the experience they had with the people they met, not the game they played or the craft they made.

That being said, we don't sit around singing Kumbaya all day long! Each day mostly follows this same basic structure (with flexibility to keep things exciting):

- 8:00 a.m. Breakfast
- 9:00 a.m. Cabin/Camp Cleanup - Each cabin is assigned a camp chore for the day. Ex: working in the garden, cleaning the bathhouse, sweeping the dining hall. They also clean/organize their belongings and their cabin, hoping to win the Cleanest Cabin Award.
- 9:45 a.m. Worship, Program, & Family Groups - Daily worship and presentation of the day's spiritual program. Basically a daily teaching centering on the theme. Everyone is assigned into a Family Group (small group) that meets each day to discuss that day's program, do activities, and make crafts.
- 11:00 a.m. Rec Hall games
- 12:00 p.m. Lunch
- 1:00 p.m. Rest Hour - nap, read, rest in cabins
- 2:00 p.m. 1st Activity Period - In the Intermediate sessions, campers are assigned their activities to make sure everyone experiences them. As older campers, they get to choose and sign up. Activities include archery, ropes course, canoeing, arts & crafts, swimming. Our activities are about doing your best, having fun, and being with the people around you.
- 3:15 p.m. Snack
- 3:45 p.m. 2nd Activity Period
- 5:00 p.m. 3rd Activity or Free Time/Whole Camp games
- 6:00 p.m. Dinner & Singing
- 7:00 p.m. Evening Event - Some examples include: Talent Show, Dance, Carnival, Minute to Win It
- 9:00 p.m. Popsicle - It's St. Crispin's tradition to close out our day together, wind down, enjoy a popsicle, and say goodnight.
- 9:30 p.m. Cabin Time - After getting ready for bed - showering, brushing teeth, changing into PJs - cabins end each day with a closing reflection led by the cabin counselors to build cabin camaraderie and community.
- 10:30 p.m. Lights Out
