

Dear First Church Family,

I am excited to write that we are going to begin having **outdoor services this Sunday, July 26**. The outdoor service will begin at 9:00 a.m. and we will be meeting on and around the church patio. All districts are invited.

Before you come, we ask you to do a self-check for a fever or other symptoms of the Coronavirus, and if you or a family member is displaying any symptoms we ask you to remain home. We also encourage those of you who are high-risk for the Coronavirus to remain home.

For those of you not able to attend, we will be recording a service in the sanctuary early Sunday morning. The service will be available on our YouTube channel by 9:00 a.m.

For those of you who are able to attend, we ask you to bring your own chairs and if you have something to provide shade (pop-up or umbrella), we encourage you to bring that as well. The trees on the patio do provide shade, but not enough for everyone.

When you set up your chairs for the service, please maintain social distancing. Hand Sanitizer and masks will be available.

Sunday evening worship will be livestream only.

I look forward to worshipping with you this Sunday.

***Oh, magnify the LORD with me,
and let us exalt his name together!***

Building, Serving and Loving with you,

Pastor Glenn
