

St. Vincent de Paul Parish School
2018-2019 School Year Commitment Form

Dear families,

As hard as it to believe we are already making plans for the 2018-2019 school year. It is our hope that you grant us the privilege of continuing to educate your child at St. Vincent de Paul Parish School. It is always a difficult task to discuss the cost of tuition and fees, but obviously it is a necessity. SVDP provides a loving, loyal environment where the entire community of parents, teachers, students, and parish is committed to academic, spiritual, and personal success.

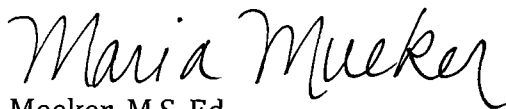

Enclosed is the tuition schedule for next school year. The actual cost to educate a student in our school is approximately \$8600.00. Through the generosity of our parishioners we are to offer the children in our parish a Catholic education at a much lower cost. Also through the generosity of our parishioners and the Diocese, there is financial assistance available to help with the cost of tuition. Obviously there is a limit to such assistance. Our practice will continue to be based on the premise of helping as many families as possible. This year the Diocese of Cleveland has chose FACTS Management to be our aid in assessing financial need. Any parent wishing to apply for financial aid must do so by submitting an application through FACTS. A detailed instruction sheet is included in this packet. After we receive the reports from FACTS we will then notify each family of the financial aid decision.

The education fee per child attending St. Vincent de Paul Parish School for the 2018-2019 school year will remain \$150.00, and is due by April 20, 2018. This fee is not part of tuition and is not covered by any scholarships or financial aid. **Payment of the education fee will ensure your child has a spot in the class for next year.**

Finally and most importantly, if you are not doing so, we encourage you to attend Sunday Mass with your children on a regular basis. Although much of this letter addresses financial items, we do not want you to lose sight of the real reason for giving your child the gift of a Catholic School Education. As we continue to work diligently to provide our students a Catholic Faith- based education, we need your help in supporting our work by practicing that Faith with your children.

Please contact me with any questions or comments regarding the above information. I am grateful to work with such supportive, loving parents who want the best education for their children. Thank you for choosing SVDP.

Yours in Catholic education,

Mrs. Maria Meecker, M.S. Ed

Principal
