

# After-school Programs

The Aftercare and Little Learners programs are a supportive service for the working families of St. Vincent de Paul Parish School. These programs provide a range of activities conducted within a Catholic Environment, under the direction of certified teachers. The programs compliment the philosophy and values taught by both the family and the school.

- Our Aftercare and Little Learners programs run from 3:00 p.m. to 5:30 p.m. each day that school is in session.
- Please use the weekly sign-up form (available on our website, at the Aftercare sign-out station or school office) to tell us which days each week that you intend for your child to stay after school. These forms must be turned into your child's homeroom teacher on the first day of the school week – each week. One form for family is fine, along with one payment check. We compile a list of all children staying after school and distribute the list to each teacher.
- Payment is as follows: \$7 a day per child, regardless of how long they stay in Aftercare or Little Learners. Please send your payment, in an envelope marked "Aftercare", with your child to school beginning on the first day of school. We collect the payments on the first day of every school week - for payment of the week before. This way, if your schedule changes and you add or subtract days that your child is staying, you can adjust your payment. Failure to keep current on payments will result in the inability for your family to use the program.
- Our after school programs are staffed each week with consideration of how many children are signed up on the first day of the school week to use it. With this in mind, at any time during the week, if you need to make a change, please send in a note with your child to his/her teacher. We request that you only call the office to make changes to your after school schedule when absolutely necessary – it is difficult to get the message to all those involved at the end of the school day.
- If your work schedule requires you to regularly use after-school care and you are interested in pre-paying your fees, please contact Mrs. Belair in the school office to set up a plan.

**\*\*Parents who have not previously used Aftercare or Little Learners must register their child in the school office during the week of August 20-24, 2018 – in order to have their child attend one of these programs during the first week of school. Please stop in any time between 9 a.m. and 2 p.m.**
