SHAMROCK STORE During the week, our learners are able to earn a core value slip by displaying our core values. Our learners can redeem these slips at our Shamrock Store during Friday recess. Our store is stocked full of fun little items including pencils, small gift cards, school supplies, etc. We need your help keeping the store stocked!

7th Grade Working on their Spanish Skills!

Señora Simonson has some great ways to help our learners work on their Spanish Skills! She purchased Spanish “Banana Grams” last year and on a FLEX Friday, middle school Spanish put their knowledge of Spanish vocabulary to the test! Each class learned how to play this new game and Braden Dye, grade 7, was able to make the most Spanish words with his letters! It was a tough game as the learners are given a random bunch of letters and have to make Spanish words out of them.

8th Grade Candle Sale

Each year our 8th Grade Learners take a class trip to Washington, D.C. Throughout the three days they spend in our nation’s capital they are able to learn about our history visiting the monuments and museums. This year they will also visit the National Shrine of St. Elizabeth Ann Seton and be attending the musical, “The Wiz” at the famed Ford’s theatre.

All of this is made possible by donations from the 8th grade parents and their fundraising efforts throughout the school year. One of their fundraisers this year is the Candle Sale which kicked off this week. Please see the attached order form and support our 8th graders!
