SERMON TEASER

JULY 23

I prayed about what I should talk about and when I opened my eyes, my son was sitting there. I asked him "Hiram what do you think I should talk about?" He thought for a second and said, "Maybe something with action Dad!" My son had been God's voice and answered the prayer I had made.

I thought about these action packed movies with dinosaurs and fighter planes, and thought to myself how I could incorporate this in a sermon. The more I thought about my son's words, the louder one word got, "Action." James chapter 2 talks about faith and deeds, and how one coincides with the other. We will be looking into the word and reviewing the simple yet sometimes forgotten phrase "Actions speak louder than words." Please keep me in your prayers as I prepare a simple reminder that the Lord has planted in my heart to talk about.
