SERMON TEASER

DIPSO - AUGUST 1

The Sovereignty of God often does not make sense. There are times when things just don't seem to fit. Jesus had a series of words that he stated on the cross and all the words should be taken into consideration. The fifth word if we're honest does not seem to fit. All the other words that Jesus speaks seemed to make him heroic; almost make him mythical in his response to what he is dealing with, but when we get to the fifth word, he is not viewed as heroic. He is viewed as human and maybe that's what we need. Maybe we need to know it's okay to have human moments when you're dealing with seemingly unearthly challenges
