SERMON TEASER

JUNE 20

Now more than ever we need Jesus! With the events of the last few months and certainly the last few days, it is understandable why many in our church and community are scared, horrified, and even angry. As we contemplate what has been taking place around our nation, I can't help but look at Jesus and lean on His understanding. Jesus was compassionate, kind, full of love, and gentleness. Nothing reveals His character more than the words that He said in the darkest most oppressive time in His life, as he hung on the cross. What do these words teach us about the value of unity, compassion, kindness, and love? It is at the cross where we find the chains of the battle of division and oppression broken.

CLASS OF 2020

Tyler Wilensky
Pleasant Hill Adventist Academy

Tyler is a ray of sunshine, extremely intelligent and multi-talented, takes care of everyone, and uses his gifts, especially in music, to praise God. Adventist Education has truly provided him with strong foundation and opportunities to be an excellent leader and more confident young man. He appreciates quality time, and values resiliency, humility, kindness, and respect for others. Other than music, he enjoys cooking/baking, technology, graphic design, videography, and spending time with friends. He's excited to attend PUC majoring in Bio-Chemistry, and possibly minoring in Music. We love him exponentially and can't wait to watch him embark on his college journey to become a valuable physician and musician, and bless the world with his calling and excellent services with Jesus by his side.

Let us pray.
