SERMON TEASER

UNEMPLOYED GOD - MARCH 26

Is it possible that God's people are in the presence of greatness and yet we don't realize it? Next Sabbath we will be focusing on that other God. We know God the Father, we love Jesus His Son, but then there is that other God. The one that seems to photo bomb the picture we have of God. Much like His name, Holy Spirit, we can grasp Him about as easily as grasping a wisp of smoke or steam. He is that other God, that uncomfortable God, that strange God.
