### DEFEATING THE VIRUS - MARCH 27

Do you worry? I am sure we have all been there at some point in our lives. The old English word for "worry" means "to choke" or "to strangle". Worry will choke your happiness. When we worry, we are apprehensive. Most worry about something that hasn't even happened yet. In a season in which there has been a lot of worries, we need to come close to the One who can overcome and defeat the true virus that has consumed our lives this past year.
