I / We commit \$ _____ to support the Park City Community Church 2018 operating budget.

\$ _____ Weekly \$ _____ Monthly \$ _____ Annually

How to Give: Park City Community Church relies on steady, reliable income to meet its monthly expenses for staff, music, community service, utilities, and more. An automatic, reoccurring giving process by one of the methods outlined below allows PCCC to meet its monthly obligations and expand its outreach efforts; and you will know your commitments will be made faithfully throughout the year.

1. Enroll in Electronic Funds Transfer (EFT) through your Bank

Now there is a secure, quick and easy way to fulfill your Stewardship Pledge with monthly payments from your Bank. These gifts help save credit card fees to PCCC

2. Enroll in Automated Giving

Enroll in automatic monthly bank account or credit card donations.

To setup or learn more about EFT or Monthly Credit Card donations, please contact Nina Chartrand, PCCC's Finance Director at 435-649-8131 or by e-mail at Nina@parkcitychurch.org

Or, go to www.parkcitycommunitychurch.org and click on the "Support" / "Contribute On-Line Now" tab, create an account, and set up monthly giving from your Credit Card.

3. Bill Pay

Another simple way to automate your giving is by using your Bank's regular Bill Pay to make routine, monthly donations to fulfill your annual Stewardship Campaign pledge.

4. Donate Through a Donor-Advised Fund

A donor-advised fund account is a simple, tax-smart investment vehicle for charitable giving. Set-up an account (normally this can be done online) with your investment firm and contribute cash, securities, or appreciated assets. Your contribution will be invested for potential growth, so you can maximize what you give to charity. You'll be eligible for a current-year tax deduction and can be more strategic about your giving.

If you prefer not to contribute in one of the ways described above, you can fulfill your pledge and generous commitments by check, cash, or even appreciated stock.

Thank You for Your Generous 2018 Stewardship Pledge

"It's in Our Nature..."

Give Generously

We often are asked, "How much should I give?" Only you can answer that question. Many contribute a percentage of monthly income. Experience the joy of giving generously in return for the abundance that you have received. If you have not yet reached the 3% level, consider this level to establish a foundation to build on as you grow in the grace of giving.
