## R.T. Rybak: "Generation Next"

**presentation**

**Thursday October 1**

9:30 –11:30 a.m.  
Minneapolis Woman's Club

In May, Sondra Samuels inspired League members with her passion for her 'Northside Achievement Zone' (NAZ) project. It was a wonderful day.

In October, former Minneapolis mayor R.T. Rybak will share with us his passion for "Generation Next," another innovative program to improve success rates in school and in life. **You won't want to miss it.**

Together, these educational enrichment programs, along with an informative LCW bus tour of north Minneapolis staged in June, offer LCW members and friends renewed hope for the future of our community and possibilities for new League involvement.

## *from the president*

***This is one of the most beautiful times of the year,*** full of bloom and green and growing! It literally stops me and reminds me to be grateful for all the progress and wisdom we collectively have made as members, volunteers and leaders of the League of Catholic Women.

It almost hurts to think of the challenges we have faced and weathered in the last two years. But I hope most of you will agree that our friendships are stronger, our focus more keen and the promise of our future more secure.

I invite you to continue to be positive, to reach out to each other as members, women and believers—to be patient with others' viewpoints, opinions and styles. The world we live in can be cruel and selfish. Let's not be! Let's make the League a place of welcome and wonderment for each and everyone who comes to our door.

**Happy Summer!**
