

Introducing
TEXT GIVING

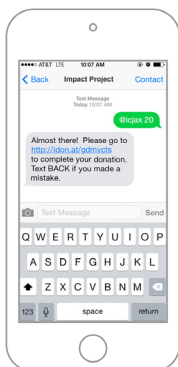

HOW TO GIVE *via* TEXT MESSAGE

Your generosity funds our work inside our church and out in the world. As you give, you play a direct role in our ministry. If you don't have cash or a check with you but would like to give to us today, that ability is now at your fingertips.

STEP 1

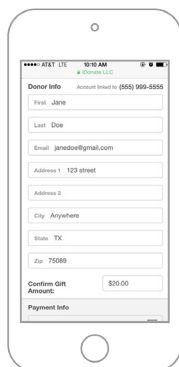

Text @icjax and a gift amount to **52014**. If this is your first time to give, you'll get a text back with a link to set up your text message giving account.

Don't forget to save the number in your phone for future gifts!

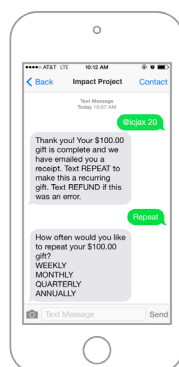

STEP 2

Fill out your credit card information—after you've done this once, it will be remembered for future donations. Once a donation is made, you'll get an emailed receipt.

STEP 3

Manage your giving easily with text commands (for example, by texting the command "REPEAT," you can set up a recurring donation).

Text "support" for a full list of text commands.

You might have a delay in confirmation due to network delays but a receipt will be emailed.

We love seeing how generous our members are—your time, talent and resources are helping us proclaim the gospel and minister to people. We sincerely hope that being able to manage your giving via text will be a helpful tool.
