SHARING GOOD NEWS – AUGUST 2018

Special Discussion – Telling Our Story
Church leaders and dedicated members of First Parish gathered to share in a special discussion on Sunday, July 22 following worship:

How God has worked through our church in recent years, presented by Chair of the Assessors Jeff McConnell;

What process to expect as we transition in leadership from Pastor Anna Copeland, to an Interim Pastor, to a settled Senior Pastor who will support the mission and vision of the church alongside Pastor Dan and lay leaders, presented by Moderator Jan Jonas;

Where God calls us to deepen and strengthen the commitments of our mission and vision moving forward, presented by Pastor Anna V. Copeland.

Sixty to seventy people attended, expressing great commitment to the future of our church and eager to hear more about our direction. As we transition in leadership through the coming months, you can rely on your elected leadership to provide regular updates of information regarding what is happening behind the scenes and how it effects our future.

According to our By-laws, the Deacons are responsible for finding an Interim Pastor. In collaboration with Deborah Blood, our Conference Minister and the Officers of the church, the Deacons have drafted a Prospectus that will be submitted to search for an Interim we hope will begin sometime in October. The Church Council is responsible for appointing a search committee for the new Senior Pastor, and Jan Jonas, Moderator, will lead that effort.

Regarding the future, I shared a few parting observations that will be summarized inside this edition of the newsletter. Guided by the Holy Spirit, and led by our capable leadership and membership, we now live into our new Mission and Vision to Follow the Way of Jesus, aspiring to authentically invite, courageously include and generously serve all with compassion and grace.

CHURCH COUNCIL MINUTES AVAILABLE ONLINE
First Parish Church has a password protected member section on our website, www.firstparishyork.net, where Church Council meeting minutes and corresponding attachments are posted. To get the user name and password, call the church office at 363-3758 between 9am and 2pm, Monday through Friday. Because this site stores only approved minutes, there is a one month delay in posting approved minutes. Thank you for not sharing password information within an email or beyond members.
I’m fascinated by the little tag messages on the end of the tea bag. I call them “Teabag Thoughts of the Day” or “Teabag Philosophy” when I share them on Facebook or with email friends. I’ve collected many in a little glass container on the kitchen window sill, and have about a half-dozen taped to the front of my laptop. They vary in their points of interest. Many are meant to foster encouragement for the day, and others are definitions of everyday words. But they have some sort of common thread running through them. Here are some of my favorites:

“May this day bring you peace, tranquility, and harmony.”
“May this day be the day to lead us to peace, to happiness, and to joy.”
“The purpose of life is to know yourself, and love yourself, and trust yourself, and be yourself”
“Love is the ultimate law of life.”
“Love has no fear and no vengeance.”
“The essence of life is to communicate love.”

I think this is what Christ meant when he quoted the first commandment: “You shall love the Lord your God with all your heart, and with all your soul, and with all your mind.’ This is the greatest and first commandment. And the second is like it: ‘You shall love your neighbor as yourself.’ On these two commandments hang all the law and the prophets.” Matthew 22: 37-40

Come to worship and hear the continuation of the parables of Christ this month. The message is timeless, the music is meaningful, and the air-conditioning is heavenly!!!!

Here’s another teabag tagline: “Life is a flow of love. Your participation is requested.”

Enjoy these lazy, hazy, crazy days of summer!
The beat goes on...because LOVE always wins!

Leadership in Transition – Field Notes from the Senior Pastor

(We invite those who could not join us for our First Parish Leadership event July 22 to review the following inspirational message shared by our Senior Pastor at that event.)

Leadership transitions create opportunities and also some anxiety about what the future may hold. Fortunately, God has brought us across a couple of rocky roads to launch a new vision and mission for First Parish that shifts our identity from that of the “white sneaker church” of yester-year, to a respected community leader and collaborator with area churches and service agencies to transform our community and our world.

It takes three to five years to fully implement a new mission and vision. We are in our second of those years now. God has blessed us as a praying community with a trusting faith and deep commitment to Telling Our Story about what God is doing through this church. We share this story now to invite everyone to step forward during the transition, every oar in the water, trusting God’s plans for our future.

In times of transition, progress can slip away. It takes real work and commitment for an extended time to change lives. We pray hearts will continue to burn with passion for the following recently launched initiatives, that God will flourish the good work already begun.

INSPIRATIONAL WORSHIP
*Live stream video invites people all over the country to participate in Sunday worship in real time, extending God’s good news to people who are traveling, who live seasonally far away, or who need a church home like ours.

*Thursday evening worship creates safe space for those seeking a church, for children, youth and families, to engage in meaningful worship.

LIFE CHANGING EXPERIENCES
*Collaborate with area churches, community agencies and the York Diversity Forum to change lives by creating a safe, inclusive and welcoming community, not only within our church, but also throughout our area.

*Tell the Story of how God changes lives so that those who find church irrelevant will look again. Some who previously left the church will return, more so if you call and invite them to come. However, our greatest growth will come through outreach to the 64% of Mainers who do not consider themselves very religious in the third most secular state in the Union.

MEANINGFUL CONGREGATIONAL CARE
*Home-Based ministry matches trained members of the church with others in need of a visit, prayer, or on-going care at home, in assisted living, nursing care or in rehab.

*Mission at home matches expressed needs of members of the congregation for a hand up, anything from pruning a lilac bush to putting the Christmas decorations back in the attic. More than sixty volunteers signed up to help members receive needed support.
ADVOCATE FOR JUSTICE AND MERCY
*First Parish Church voted at a congregational meeting in May to become an Open and Affirming Church of the United Church of Christ after a year-long study and discernment. In the future, conversation continues on how to courageously and intentionally invite all God’s people through generous and inclusive hospitality.

INTENTIONALLY RESPOND TO THE NEEDS OF THE WORLD
*Now three years or more into a cultural shift of identity as an increasingly Missional Church, First Parish changes lives through volunteer participation and financial support of international, regional and local mission/outreach projects.

In Conclusion: As followers of Jesus the Good Shepherd, we serve for God’s good pleasure. Please pray for the future of your church, that God may place people before us to serve, that Christ may find us useful, and that the Holy Spirit may grant us joy for the glory of God.

Message from the Moderator

_Time is commonly divided into three segments – past, present, and future. Lessons are to be learned from the past, but the past must not enslave us. The present is the immediate gift of God to be used wisely and well, but it is not enough to live in the present alone. The future is the place for plans, the domicile of dreams, the harbor of hopes._

_Rev. Doctor Charles L. Copenhaver (1918 – 1982)_

Our search for a new settled Senior Pastor is collaboration between our church family at First Parish, with help from our UCC Maine Conference, and God. We prayerfully ask that He will help us and a prospective settled pastor find each other. We will not be hiring someone as in a business. We will be seeking an individual who has a call to serve, inspire, and join in a faith journey with us. Together we will nurture the seedlings of faith work accomplished recently at First Parish while “honoring lessons we have learned from the past.”

We will be working on this spiritual process together. As Moderator, along with the Church Council and the future Search Committee, we pledge to keep you informed through website communications, Bulletins, Newsletters and announcements. The Opportunity Table will have booklets that will help answer questions and a poster as a visual clarification of the search process. Perhaps most important, is personal communications. The Church Council, Assessors, Deacons and other Church leaders are committed to be prepared to listen and answer questions.

Thank you to the Deacons who have been working diligently with the Maine Conference to seek an Interim Pastor during this transition time. May God bless this process and the future of First Parish Church, and the present as “an immediate gift of God”.

Jan Jonas, Church Council Moderator
The past year in Sunday School has been one of new programs. Under the guidance of the Christian Education Committee and Pastor Dan, we began a new curriculum entitled “Dig In”. The theme for this year is “The Life of Jesus”. Each lesson includes a variety of activities to engage the students and teachers in meaningful experiences such as bible stories, videos, games, crafts and a take-home page for parents. Teachers work in teams and make their own schedules.

June is always a busy month, including Children’s Day and Kids Camp (formerly VBS). The Children’s Day Service was a very sweet service, including everyone from 2 months old to high school seniors and everyone in between.

Our Kids Camp was a 3-day program this year, due to the length of the York Schools calendar. It was based on the Ephesians 2:10 verse: “For we are God’s masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago.” (New Living Translation). Our days were full of music, shadow puppets, bible adventures, creation station, outdoor games, our wonderful snacks, and “The Nook” where students were welcome to relax and regroup. An important component of our Kids Camp program is to meet the needs of all who come to us seeking a welcoming place. Our emphasis was to share how we can all be good neighbors, no matter what our age. We concentrated on three parables of Jesus: The Good Samaritan, The Prodigal Son, and The Lost Sheep.

There were 32 Campers (grades K-5) involved, 10 Crew (grades 6-10) and 12 adults. It was truly an inter-generational time together, living out our Vision Statement to offer life-changing experiences to all.

Thank you to the CE Committee for its commitment to the children and youth of our beloved First Parish Church. We thank our teachers and all who support the program and wish them a very restful summer.

Sunday School classes will resume in September.
Plans are underway to provide a new space for students in grades 5-7 and up, for Sunday Morning time together. Stay tuned!

Christian Education Coordinator

The bags are delivered to the York Food Pantry to be given out. The bags are greatly appreciated! They can be made in honor of your own birthday or those of family members.

MISSION @ HOME
Update!

We continue to add to the wonderful list of generous, loving folks who are willing to offer assistance to others of our congregation as needs arise. We have close to 60 willing people already. We would LOVE to add some of our teens to this ever growing list.

We hope to match the needs of our church family with your willingness to serve others in whatever way you are able. Could be a ride to a doctor’s appointment, help repairing a fence, shopping for groceries post hospitalization, doing lawn work, or carrying boxes up from the cellar. There are times when each of us could use a helping hand; so BE BOLD, ask for a bit of help.

If you choose to be on the "master list of helpers", it means that you and everyone else on the list will receive an email request from Linda Drew, coordinator. It will include the job description, time requirements, location and maybe deadlines. If you can help or need further information just simply contact Linda. You and the person in need can work out the details.

It is the “go to” place to sign up for First Parish activities, both long and short term. Committees and activity chairpersons please take advantage of this central point of communication. Your input is always welcome, Sandy Givens, Jan Jonas and Pepi Upton

Telling Our Story through Your Story

“As each has received a gift, use it to serve one another, as good stewards of God’s varied grace.” 1 Peter 4:10 (ESV)

On Sunday, June 24th, we introduced a method for gathering information to more effectively Tell Our Story of how God is at work through First Parish Church. We asked you to share the ways your faith is at work in the church and the world. It is not too late to tell your story.

Included in this newsletter is a survey called “Telling Our Story”. Just as we tell our story about how much money we give away for missions at home and abroad, we’re also going to share our story about how we share our volunteer time and resources. We would appreciate it if you would share with us the ways you volunteer within First Parish Church and also the ways you may volunteer in the wider community. If you choose to share the ways you volunteer we won’t publish your name, just the total number of hours we share within the church and in the wider community, such as volunteer hours at the hospital, the chamber of commerce, etc.

Please return your survey to the church office by Friday, August 10th. We will be presenting the results of the surveys to the congregation on Rally Day, Sunday, Sept. 9th. Thank you for helping us tell our story as a church as we invite others to participate in the ways God is at work through the faith and action of this church, changing lives and the world.

Stewardship Committee: Sandy Nelson, John Pendleton, Jalmar Dijkstra, Pastor Anna Copeland
Telling Our Story

Please help us tell our story as a church about how God is at work through the work and outreach of First Parish Church. We know that we share our financial resources to support the work of the church. Now we want to more effectively communicate how we share our time and other resources.

On Children’s Sunday, June 10, the Deacons were pleased to award scholarships to Morgan Smith, Garrett Cronin, and Brian Cronin. We congratulate them and wish them well as they begin their college careers. We also awarded five camperships to Pilgrim Lodge and hope those young people enjoyed a fun and meaningful experience.

As we move toward the end of summer, the Deacons will begin a busy time. The by-laws task the Deacons with finding an interim pastor. So far we have completed the Request for Interim Leadership form which along with a prospectus has been sent to the Maine Conference. There it will be posted on both the national and Maine websites. At some point we should receive profiles from interested interim pastors which we will review. We will then interview, ideally, several candidates and present our choice to the Council. It is our hope at present that this can be completed by the end of October. Please feel free to ask any of the Deacons how things are going. Although the profiles are confidential, we can tell you where we are in the process.

Message from your Financial Secretary
Starting with this year, we will be departing from our past practice of mailing Pledge Status letters in early July and December and instead, do a single mailing in early September following Rally Sunday. Anyone desiring to know what their pledge donation status is prior to the September mailing can do so at any point in time by requesting that information either by sending an email to finsec@firstparishyork.net or by calling Per Jonas at 207-363-3180. Please be sure to specify in what manner you would like the information sent to you (email or hardcopy).
Happy Musical New Year! The Sanctuary Choir will be celebrating Communion and Epiphany on the first Sunday of 2015 by offering Bob Chilcott's hauntingly beautiful new setting of Christina Rosetti's "In the Bleak Midwinter." My favorite line of the famous poem is: "If I were a Wise Man, I would do my part. What can I give Him? Give my heart."

On January 11 the Fourth Street Jazz Choir (the adult vocal jazz ensemble from Dover which I conduct) will be our special musical guests. They will be performing Bob Chilcott's "A Little Jazz Mass" incorporating the five traditional mass movements into our service. Honoring the legacy of Martin Luther King, Jr., "Gospel Music Sunday" will feature special music by the Sanctuary Choir and the Bow Tie Guys. Our Children's and Youth Choirs will sing on the final Sunday in January. On that same day, the Seacoast Community Chorus (SCC) will present its Winter Concert at 3:PM. Several members of the Sanctuary Choir belong to SCC and will be performing "All Creatures Great and Small." Music of Mendelssohn, John Rutter, Randall Thompson will be in the repertoire. Joseph Martin's setting of the classic children's story "The Song of Wisdom from Old Turtle" will be the highlighted piece.

Finally, during these chilly and dark days of January, let's remember the song of the Christmas angels: "Glory to God in the highest and peace to God's people on earth!"

Blessings and thanks,

WSP
