RULES FOR BUILDING USE

- Use of the kitchen incidental to the rental of space in Fellowship Hall is permitted only to put out prepared food. Use of kitchen equipment, utensils and/or dinner ware is not permitted.
- Promptly wipe up any spills. Spills on carpet may require use of carpet cleaner.
- No tape or staples may be used to hang decorations or posters.
- ***No Alcohol or Tobacco products will be permitted***
- ***No helium balloons are permitted in the hall***
- All tables, chairs, and other furniture must be returned to their original positions
- Any group using the kitchen must bring in their own kitchen linens
- All trash must be properly disposed of.
- Cleaning items are located in the broom closet.
- Outside doors and windows should be closed while heating or cooling in use to conserve energy.

CHECK THE FOLLOWING AS YOU CLOSE THE BUILDING

Kitchen Area

- Floors Clean
- Sink, counters, stove, refrigerator: all cleaned and food/drinks removed
- All appliances are turned off
- Trash taken out to dumpster behind building and all food debris and grease placed in the compost receptacle outside the front door.
- Lights are shut off

Restrooms

- Floors and sinks clean
- Toilets flushed

Meeting Room

- Chairs and Tables returned to their original positions
- Floors vacuumed
- Inside doors closed
- Lights are shut off
- Doors locked

General

- Outside doors and windows closed and locked
- Return thermostat to 62 degrees F
- If applicable, return key with this checklist to the Office Mail Drop

The undersigned understands that the building is to be left clean and orderly for the next user, and signifies that the building has been inspected to make that the items checked have been done. Also, that failure to meet these conditions may result in billing for expense necessary to correct violations or damage beyond reasonable wear and tear as determined by the Assessors after consultation with the undersigned.
