

TULSA ADVENTIST ACADEMY

“Preparing Students for Heaven and Earth”

International Application Process

- International application forms will be processed through the main office in coordination with the ESL director and then referred to the Admission Committee for final evaluation.
- Overseas applicants to TAA must be aged 14-17 years. Transfer or continuing students entering their senior year must be 18 or younger.
- If the student has completed the entire admissions packet and is accepted for admission, he or she will be issued a letter of acceptance and an I-20.
- After receiving the I-20, each first-time student to the United States must pay an I-901 fee directly to the US Government before receiving a visa. This may be done after receiving the I-20 at <http://www.fmjfee.com>
