

## *Official Pastoral* **COVID-19 Coronavirus Statement**

Friendship Missionary Baptist Church is committed to the safety and care of all her members. This care includes: the spiritual, the mental and the physical. We are taking all necessary precautions in response to the world wide COVID-19 Coronavirus epidemic.

We have decided to take urgent actions to ensure that each and every member of our congregation and their loved ones remain in good health.

Effective immediately, Friendship Missionary Baptist Church will discontinue all in-person worship gatherings until further notice. Although we may not worship in-person, we strongly encourage our membership, family and friends to join us for Online Worship.

Remember today is Worship Wednesday at 7:00 pm with Special Guest, Dr. Cleveland McFarland of St. Peter Baptist Church.

On Sunday at 10:00 am join us for On-line Worship ONLY on [FMBCMOBILE.NET](http://FMBCMOBILE.NET) as well as on our FMBC facebook page.

Please continue to visit our website [FMBCMOBILE.NET](http://FMBCMOBILE.NET) for updates, online worship and online giving.

Continue to pray for our church, our country and our communities.

Prayerfully Submitted,  
Dr. Corey D. Brown, Senior Pastor
